Re: Requesting Approval to Pay McGovern Municipal HQ for Animal Control Compartment, Transportation and Handling

ID #: 47191

Minority Participation: 0 % MBE, 0 %WBE

Account: 253-253-52870

Amount: \$33,540

Dear Mayor Smiley:

The Providence Police Department respectfully requests approval to Pay McGovern Municipal HQ for an Animal Control Compartment, Transportation and Handling for the Police Department Animal Control Van for a total cost not to exceed \$33,540 for FY 2025.

This van must be specially equipped in their rear cargo space for upfitting of cages for securing animals. The department has exhausted all options to get the van upfitted locally with the American Aluminum Animal Control Equipment. American Aluminum is the sole manufacturer of this special containment system, and the installation must be done at their facility in Perry, Florida. To accomplish this, McGovern Municipal Headquarters will provide for the transportation and handling of the van to and from Florida. McGovern Municipal Headquarters is the local dealer of record for these specialty compartments.

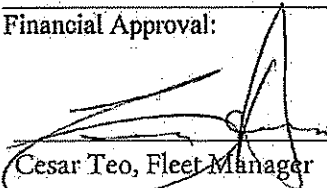

McGovern Municipal Headquarters
1200 Worcester Road
Framingham, MA 01702

Respectfully Submitted,

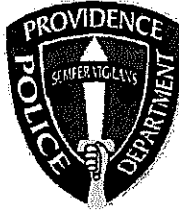

Oscar L. Perez
Chief of Police

To: Elaine Richards, Deputy Commissioner
From: Captain Joseph Dufault
Re: Requesting approval for the purchase of American Aluminum Animal Control Compartment

The Providence Police Department respectfully requests approval for the purchase of an American Aluminum Animal Control 10 Compartment insert to be installed into one of Providence Animal Control's new Ford Transit vans. American Aluminum is the sole manufacturer of this containment system and requires it to be installed at their facility in Perry, Florida. In order to accomplish this, Providence Animal Control would contract with McGovern MHQ (Marlborough, MA) to ship the van to and from Florida.

The Providence Police Department exhausted all options in its search to get vans upfitted locally for Animal Control duty. A total of 5 companies in the Rhode Island and Massachusetts area were contacted and all stated that they could not build what was needed. Several of these companies referred us to American Aluminum in Florida.

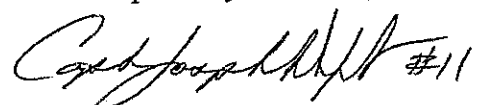

The cost breakdown for this project is as follows:

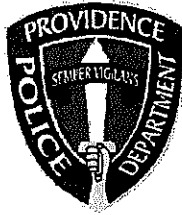

- American Aluminum 10 compartment Animal Control equipment: \$27,550
- Shipping, Insurance, and Recondition Costs to/from McGovern MHQ: \$5,990

Total cost to be paid to McGovern MHQ is \$33,540.
