MEMORANDUM

TO: Anna Stetson, Office of the City Clerk  
FROM: E. Bernard Lebby, Traffic Engineer *EL*  
CC: Paul J. Thomas, PE, Director  
Councilperson, Committee on Public Work  
DATE: February 01 2011  
SUBJECT: Resolution Requesting the Traffic Engineer to cause the  
installation of a "Three-Way Stop" Sign at the intersection of  
Aventine Avenue and Greeley Street.

(See previous submission on June 09, 2010)

The office of Traffic Engineering has investigated the request for a 3-WAY STOP at the intersection of Aventine Avenue and Greeley Street and has the following to offer:

There were no notable visibility issues, very low volumes of traffic and Greeley Street already Stop's a very short distance away at Opper St. Out of all the possible warrants for STOP sign applications, the only warrant that this request can be considered for review is the accident history.

The accident history is as follows:

2000	0	2006	0
2001	0	2007	0
2002	0	2008	0
2003	1	2009	0
2004	0	2010	0
2005	0		

**The average is 0.10 over an eleven (11) year period.**

Based on a review of the system warrant requirements, this intersection **DOES NOT** qualify for the installation of a 3-WAY STOP SIGN according to the Manual of Uniform Traffic Control Devices. The installation of a 3-WAY STOP SIGN at this intersection is not justified nor warranted.
