June 17, 1987

Mr. Nicholas Easton,  
President  
Providence City Council  
City Hall  
Providence, Rhode Island

Dear Councilman Easton:

I have recently accepted the position of Associate Provost at Chicago State University in Illinois. Accordingly, I am forced to resign, effective immediately, as your designee on the City Planning Commission.

I have enjoyed my service on this important group as they prepared the Master Plan for the city and I very much regret that I must leave while the process is incomplete. I know that the development of this plan is in capable hands in the leadership of the Commission's able Chair, Ms. Sherman.

My best wishes to you as you continue your fine stewardship.

Sincerely,

William H. Lopes

*Best wishes*
