Re: \$5,000,000 Clean Water Revenue Bonds

Set forth below is a fiscal impact note related to the proposed \$5,000,000 Clean Water Revenue Bonds (the "Bonds") of the City of Providence (the "City").

Upon authorization by the Providence City Council it is anticipated that the Bonds will be issued on or about February 1, 2001, will bear interest at a rate of approximately 6.40542% (subsidized by the Rhode Island Clean Water Finance Agency to bear interest at a rate of approximately 4.80425%) and will mature in five (5) annual installments with estimated interest payable semi-annually as submitted herewith as Schedule A. The Bonds are payable solely from drinking water revenues and consequently, there will be no impact on the General Fund of the City for payment of debt service.

Respectfully yours,

Alexander Prignano  
Finance Director
