## ROLL CALL

---

## INVOCATION

The Invocation is given by **COUNCILMAN SAMUEL D. ZURIER**.

"This past month, we saw tragedy in Charlottesville, which raised questions about our country's basic values. Also, last month though we celebrated the anniversary of George Washington's first trip to Rhode Island, as President of the United States, at which time he had the opportunity speak about those values. He said among other things the following: "All possess alike liberty of conscience and immunities of citizenship. It is now no more that toleration is spoken of, as if it was by the indulgence of one class of people, that another enjoyed the exercise of their inherent natural rights. For happily the Government of the United States, which gives to bigotry no sanction, to persecution no assistance requires only that they who live under its protection should demean themselves as good citizens, in giving it on all occasions their effectual support". I wish that we would remember those values tonight with the image of Roger Williams behind us to set our mission. Thank you."

**COUNCILMAN APONTE, COUNCILWOMAN HARRIS**

Resolution Requesting a full Traffic and Economic Impact Study for Bike Lane Planning and Implementation.

**WHEREAS**, In 2016, Mayor Elorza signed into law an executive order creating a review process for new bicycle lanes in the City of Providence; and

**WHEREAS**, Under this review process, all “significant street, sidewalk, or trail repair or construction projects” will be presented to the Bicycle & Pedestrian Advisory Commission (BPAC) for review in order to determine if the installation of a bicycle lane would be appropriate; and

**WHEREAS**, “Significant” refers to streets and paths designated as needing improvements in the City’s Bicycle Master Plan, any street categorized as an arterial or collector road, or any project within 300 feet of a school or recreation center; and

**WHEREAS**, As the installation of bike lanes can necessitate major changes to traffic patterns, it is vital that the effects of those changes be taken into account when weighing the costs and benefits of installing a bike lane; and

**WHEREAS**, However, in the review process established by the mayor, no traffic impact study is conducted prior to making the decision to install a bicycle lane; and

**WHEREAS**, Even after the decision to add a bicycle lane or path has been made, under the current review process, a traffic impact study is not required; and

**WHEREAS**, Moreover, no economic impact study or cost-benefit analysis is currently conducted to determine how changes to traffic patterns will impact economic development in the corridors where planned bike lanes will be installed; and

**WHEREAS**, Many constituents have expressed concern that creation of bike lanes, particularly in commercial corridors, will result in loss of parking spaces, negatively affecting nearby businesses and lowering quality of life for residents; and

**WHEREAS**, Without information on how bicycle lanes will impact traffic, parking, and economic development, BPAC and other decision-makers cannot fully weigh the costs and benefits of proposed new bike lanes; and

**WHEREAS**, As the elected representatives of the people of Providence, the Providence City Council has an obligation to ensure that all street improvement projects provide benefits to residents that outweigh their costs.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council respectfully requests that the City Traffic Engineer, Director of the Department of Public Works, and the Parking Administrator conduct and make available for public review and comment full traffic impact and economic impact studies prior to deciding whether to construct new bicycle lanes.

**BE IT FURTHER RESOLVED**, That, upon passage, copies of this resolution be sent to the Traffic Engineer, Director of the Department of Public Works, the Parking Administrator, and the Mayor.

**Resolution Calling for the removal of the Confederate Flag and Confederate Monuments  
from Public Property.**

**WHEREAS**, On November 21<sup>st</sup>, 1861, General Robert E. Lee presented his army with its newly created battle flag, commonly known today as the Confederate flag; and

**WHEREAS**, The Confederate flag was used widely throughout the Civil War as a symbol of the Confederate States of America (CSA), the Confederate army, and the Confederate cause; and

**WHEREAS**, The Confederacy was deeply rooted in white supremacy and its aim was to establish a permanent slave society, as the CSA's first Vice President stated, the Confederacy was founded "upon the great truth that the negro is not equal to the white man; that slavery, subordination to the superior race is his natural and normal condition."; and

**WHEREAS**, In South Carolina's official declaration of secession, it explained the decision as being due to the "increasing hostility on the part of the non-slaveholding States to the institution of slavery"; and

**WHEREAS**, William T. Thompson, one of the designers of the Confederate flag, stated, "As a national emblem, it is significant of our higher cause, the cause of a superior race, and a higher civilization," and, "As a people we are fighting to maintain the Heaven-ordained supremacy of the white man over the inferior or colored race";

**WHEREAS**, During the CSA's invasion of Pennsylvania, Confederate forces abducted free African-Americans and sent them south to be sold into slavery; and

**WHEREAS**, In many instances, when Union soldiers surrendered to Confederate forces, white soldiers were kept as prisoners of war while black soldiers were summarily executed, including the Fort Pillow Massacre, which historian Richard Fuchs, described as, "an orgy of death, a mass lynching to satisfy the basest of conduct - intentional murder - for the vilest of reasons - racism and personal enmity";

**WHEREAS**, The Confederate flag was revived as a political symbol in the 20<sup>th</sup> century in response to desegregation, anti-lynching legislation, and the civil rights movement; and

**WHEREAS**, Moreover, monuments and statues honoring the Confederacy were erected at points in the 20<sup>th</sup> Century to bolster the enacting of discriminatory "Jim Crow" legislation and to respond to the civil rights movement; and

**WHEREAS**, More than 700 Confederate monuments and statues exist on public property, many honoring and memorializing Confederate leaders, generals, soldiers, and others who fought to preserve and promote the institution of slavery; and

**WHEREAS**, Some monuments and statues go further to glorify the Confederacy's cause, such as a South Carolina monument erected in 1902 that reads "The world shall yet decide, in truth's clear, far-off light, that the soldiers who wore the gray, and died with Lee, were in the right."; and

**WHEREAS**, In 1948, South Carolina Senator Strom Thurmond ran for President on an explicitly segregationist platform and prominently used the Confederate flag and other Confederate symbols in his campaign; and

**WHEREAS**, Throughout the 20<sup>th</sup> century, the Confederate flag was a common sight at Ku Klux Klan rallies and other events held by white supremacist organizations; and

**WHEREAS**, Despite their long history as a symbol of white supremacy and racism, the Confederate flag and Confederate statues and monuments continue to maintain a presence on public and government property; and

**WHEREAS**, In the wake of a white nationalist rally that turned violent in Charlottesville, Virginia, many elected officials from around the nation have renewed the call for the removal of the Confederate flag and Confederate monuments from public property in the United States; and

**WHEREAS**, One such elected official, Mitch Landrieu, the mayor of New Orleans, stressed that the monuments “were erected with the goal of rewriting history to glorify the Confederacy and perpetuate the idea of white supremacy”;

**WHEREAS**, Even General Lee himself was opposed to the construction of monuments to the Confederacy, warning in the years after the Civil War that the construction of such monuments would be counterproductive and would only further divide the nation; and

**WHEREAS**, On June 22<sup>nd</sup>, 2015 then-South Carolina Governor Nikki Haley called for the removal of the Confederate flag from the grounds of the South Carolina State House, stating “[B]y removing a symbol that divides us, we can move our state forward in harmony.”

**NOW, THEREFORE, BE IT RESOLVED**, That the City Council of the City of Providence does hereby call for the Battle Flag of the Army of Northern Virginia, commonly known as the Confederate flag, and all Confederate monuments and statues to be removed from all public property in the United States.

**BE IT FURTHER RESOLVED**, That, upon passage, copies of this resolution will be sent to the Speaker of the U.S. House of Representatives, the Minority Leader of the House of Representatives, the Majority Leader of the U.S. Senate, the Minority Leader of the U.S. Senate, and the members of the Rhode Island Congressional delegation.
