RE: Resolution No. 358
Dated - 5/8/75

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to post
"30 Minute Parking" regulations along Elmwood
Avenue between Hanover Street and Bellevue Avenue.

Disposition: Our survey indicated that there is presently
a "TWO HOUR PARKING 8AM to 6PM" restriction in
this area. I feel that this time limit is
adequate enough for this area. We also feel
that a "30 Minute Parking" restriction would
be very hard to enforce.

Very truly yours, -
