Providence, R. I.

Dear Mr. Vespia:

The Providence Civic Center Authority hereby acknowledges receipt of the Resolution of the City Council #533 requesting that the Authority secure names of all event participants and representatives who are granted the privilege of the Civic Center Arena during events so that records shall be maintained in connection with the same.

The resolutuion was considered at a meeting of the Authority on November 18th, 1973. It is physically impossible to secure the names of all event participants and representatives who use the floor during presentation of events, however, this is to further advise that the Civic Center Authority will see that all rules and regulations established by the Authority are strictly enforced and that violations thereof are handled accordingly.

Respectfully,

E. A. Palmer
