

# CITY OF PROVIDENCE RHODE ISLAND

The Credo of the Providence City Council is to be Industrious, to be Watchful and to Promote Peace. The bee, as a symbol of industry, is derived from the early colonial saying "Busy as a Bee"; the goose, as a symbol of watchfulness, is derived from the story of the goose whose cackling saved Rome; and the lamb, as a symbol of peace, is derived from the biblical use of the lamb as a symbol of peace.

## INVOCATION

The Invocation is given by **COUNCILOR RACHEL M. MILLER**.

"So, before we begin tonight, I just want to thank all of my colleagues here on the Council for passing Pride resolutions in the past. A particular one that you all have on your desk tonight that means June is Pride Month in perpetuity for the City of Providence. Pride has always been this act of defiance. An act of courage, an act of love, but its origin was an act of defiance and that's how I know it is today, how I hope it will always be. So, let's tonight on this eve of Pride bow our heads and let's honor LGBTQ sister and brothers, gender queer and unconfirming individuals. Folks who in my community have had to face many ways of courage and knowing to be fully who we are. Let's honor especially our trans-family in the community who are facing so many attacks on the state level, municipal level and just in all of our communities that are hateful and harmful. Let's give thanks that so many in the LGBT community truly know from a heartfelt place that an injury to one is an injury to all and we will forever stand together with our trans-community. Let's ask this weekend for a very safe and happy pride for everyone who attends this weekend and let's also ask that everyone who attends this weekend be so inspired by the truly remarkable Providence LGBTQA community, that we are all inspired to continue in acts of defiant love and courage in support of our community. Amen."

(d) *Homestead eligibility:*

- (1) To be eligible for the homestead exemption, effective as to the assessment date of December 31 at midnight, an applicant must file with the city assessor no later than March 15 a homestead application, together with a declaration, and present evidence, under oath, as to the owner-occupied and/or non-owner-occupied status together with any other proof of residency and ownership and the ownership of all motor vehicles registered either with the State of Rhode Island or with any foreign state, and to provide that information in any manner which may be required by the city assessor; except, that in the case of new construction of, or renovation of no less than thirty (30) percent of the prior year's assessment of improvements, as certified by the Providence building official, of foreclosed upon existing structures for affordable owner-occupied residential property, eligibility for the owner-occupied rate shall be determined upon application on or after the date of the execution of a purchase and sales agreement for a specific property, but no later than sixty (60) days of its sale, applied on a pro rata basis for the remainder of the current tax year as if the owner-occupied rate had been granted as of the prior December 31 assessment date. "Affordable residential property" shall mean property determined to be affordable under the rules and regulations of the department of planning and development.
- (2) Only natural person(s) are qualified to receive a homestead exemption. Real property, which is partially or wholly owned by a business, an institution, a nonprofit organization, a financial institution that has foreclosed on real estate, including, without limitation, HUD and Rhode Island Housing and Mortgage Finance Corporation, or any other such public or private entity, do not qualify for a homestead exemption.
- (3) For good cause, the city assessor may, with advice of the board of tax assessment review accept and grant:
  - (i) Applications for homestead exemption after the filing deadline for the current or previous year's taxes only
  - (ii) Applications from an entity and its shareholder(s)/member(s)/owner(s), as the case may be, upon receiving a sworn declaration from said person(s) that he/she/they primarily resided in the subject real estate as of the applicable assessment date, and that the ownership of the subject property is in said entity's name solely for estate purposes.
- (4) Applicants may only qualify for one (1) homestead exemption in the city at any one (1) point in time. In addition, an owner of real estate in the City of Providence must meet all of the following requirements in order to qualify for a homestead exemption:
  - (i) Neither the homestead applicant nor the applicant's spouse is receiving a homestead exemption or an owner-occupied rate for another piece of real property, located elsewhere in the State of Rhode Island, or in any other state of the United States, for the same period of time the owner is seeking the homestead exemption for property owned in Providence; unless during that time the owner is either legally separated or divorced from the spouse during some or all of the period in which they are claiming more than one homestead exemption or owner occupied rate;

- (ii) The applicant, and the applicant's spouse, is paying the Providence excise tax due on each and every motor vehicle owned by either one when that vehicle is garaged more than thirty (30) days in the State of Rhode Island, unless (a) the vehicle is registered in the name of the applicant's spouse, and (b) the applicant and the applicant's spouse are either legally separated or divorced.
  - (iii) The applicant has filed with the Providence Tax Assessor a current listing of all motor vehicles with foreign registrations that the applicant owns as required by R.I.G.L. § 31-7-1. If an applicant currently receiving the homestead exemption has at least one (1) motor vehicle registered to the same address as the property receiving the rate, then the tax collector shall presume that these requirements have been complied with; however, the tax collector shall have the authority to investigate whether other circumstances (such as the ownership of additional motor vehicles registered elsewhere) indicate noncompliance that overcomes this presumption. If an applicant currently receiving the homestead exemption does not have any motor vehicles registered to the same address, the tax collector may take appropriate action to ascertain compliance with these requirements and to revoke the homestead exemption, both prospectively and retroactively as necessary to the enactment of this section.
  - (iv) The homestead exemption attaches to the owner(s) of the real property not to the real property itself.
  - (v) The city assessor shall deny an application for the homestead exemption if the city assessor determines that an execution of record based upon a judgment of the housing court for a real estate code violation(s) against the applicant remains unsatisfied.
  - (vi) Upon purchase of a residence, a homeowner may apply for a homestead exemption as of the date of purchase for the current tax year, notwithstanding the fact that applicant did not own the property as of December 31 of the prior year. The exemption will be granted pro rata for the number of days the applicant owns the property during the year in which the home is purchased. In the event the subject property is sold or transferred during the year for which the homestead exemption is claimed, the homestead exemption is removed for that portion of the year following the sale or transfer should the new buyer not apply and be granted a homestead exemption. The buyer or transferee shall be liable to the city for any tax benefit wrongfully received after the date of sale or transfer.
  - (vii) If the taxpayer knowingly gives misinformation as to ownership and/or occupancy of the real estate and/or ownership of motor vehicles on his/her application for a homestead exemption, the city assessor may, in such event, remove the homestead exemption and recalculate the tax for the period in question and in addition charge the taxpayer the maximum interest permitted by law. If the taxpayer provides incorrect information, knowingly or not, the city assessor may remove the homestead exemption and may impose back taxes up to the full amount owed for the period in question.
- (5) The city assessor is empowered to promulgate any further rules and regulations which he/she deems necessary to carry out the intent and purpose of this section as it relates to the homestead exemption.

Section 5. In keeping with the authorization provided in Rhode Island General Laws 44-3-31 and 44-3-24, Section 21-126 of the Providence Code of Ordinances is hereby amended as follows:

The amount of the following exemptions with respect to the assessed value from local taxation on taxable property is fixed as follows:

## PERSONAL EXPRESSION

**COUNCILMAN NARDUCCI Requests the privilege of the floor to speak on a Point of Personal Expression and states:**

“I just want to get through this quick, I don’t want to keep beating a dead horse. I been a City Councilman now for sixteen years. The senior most important responsibility of a Councilmember is the decision on the City budget. I am shocked and discouraged to sit hear today and see members of the Council choose to vote against a very straight forward budget. Although I am on my way out, it is alarming to see members inspiring to take over even greater responsibility in the running of this city. Even the state decided that they don’t believe that they need to support this budget. What is the future of the city if those of you who want to become future Council President’s, Mayor’s, Senators who can’t stomach the passage of the city budget. I have heard councilmembers. I have heard councilmembers talk about the process and yet they are the ones who didn’t feel it necessary to attend Finance Committee meetings to see for themselves what was going on. If a student receives a failing grade they don’t go to blame the teacher after the fact if they choose not to show up for class. Being a councilmember requires you to be a leader, an advocate for out constituents and vote in the best interest of our local communities. I saw nothing in this budget that isn’t in the best interest of the people of Providence. I am deeply concerned how councilmembers are unwilling to support the modest budget. Moving forward the city will face much more challenges in budget years mark my words and if they are elected leaders in this room who cannot support the very function of government I am terrified for our residents and my grandchildren for the legacy hereon. What I will say and I have said it, I’ve been trying to do it for sixteen years but it ends up falling on deaf ears. We will not be able to help the citizens in our city as long as 48% of our city is tax free. The PILOT Program is absolutely terrible. You want to bring money into this city you guys that are coming back fight against Brown University, fight against Rhode Island Hospital, they are the ones getting all the breaks, all the non-profits. I think it’s a \$7 Billion dollar endowment at Brown University and they agree to pay \$3 million dollars a year in taxes and if they don’t want to pay it tomorrow guess what guys? They don’t have to. Rhode Island Hospital bought up at least a neighborhood and a half where our people used to live, taxpayers, off the tax rolls. You don’t have any more local doctor’s offices in our neighborhoods, you know why? They go to Dudley Street now and they go into the complex where they don’t have to pay taxes. It’s sad, it’s disgusting and let me ask each and every one of you. I know in the North End of Providence,

I know my constituents or their children do not go to Brown University. How many people in your neighborhoods, students, constituents, parents ever went to Brown University. I bet you none of us. \$80,000.00 if you're look at the portion of their students they are not even from this country and we are funding them and whose building all up down in the Eddy Street area. It's not housing for the poor, it's not housing for the needy. It's Brown University buildings, it's Brown University garages and Johnson and Wales. We talked about the homeless crisis, well you know what? We're not resolving a homeless crisis selling out to Brown University, Johnson and Wales, Rhode Island School of Design and Rhode Island Hospital. The CEO of Rhode Island Hospital doesn't make \$30,000.00 or \$40,000.00 a year. The President of Brown University doesn't make \$30,000.00 or \$40,000.00 a year, 65% to 72% of my constituents in the Fourth Ward make \$30,000.00 to \$40,000.00 a year and have to face what we are doing right now with taxes and giving them a free ride. I might not be here in this seat next year, but believe me I will be a strong advocate for what we need to do for the people of Providence and that's turn around the tax base. If 48% of our city is tax free then who do you think is going to take up the burden. Your constituents, my constituents we don't have a choice. Well, let me rephrase that we do have a choice. The problem that I faced for sixteen years every time I spoke about the PILOT Program, I use to get so aggravated because you know what? I won't mention any names because I don't want to hang anybody. The lobbyist, the lobbyist, the lobbyist, well you know what? Show me a lobbyist that makes \$30,000.00 a year, it's sickening. Again, you guys coming back, you have any opportunity to make this work. If you think about a \$7 billion dollar endowment, if we could turn around and say to Brown, you're going to pay 4% tax moving forward. I am not a mathematical person, but 4% of \$7 billion dollars is a hell of a lot of money and that's one institute and instead, we let them agree to pay \$3 million dollars a year for the next ten years, it's crazy. I don't want to take up too much time, I know I already did, but you know what? It is what it is. Go home, look in the mirror and face the reality. When our people call us and say my taxes went up, well you know what? Thank the State House and thank the people that sit in this room for not fighting the PILOT Program and we can't do it. We have to have the support from up there and they won't do it if we don't continue to put pressure on them to do it to make it work. When you got Representatives and Senators in Providence that don't want to hear it that's pretty sad. I'm giving you an answer let's see if it works. Thank you for listening and thank you Mr. President."
