

THE CITY OF PROVIDENCE  
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

# RESOLUTION OF THE CITY COUNCIL

No. 118

Approved June 10, 1968

Resolved,

That the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the Office of the Department of Building Inspection subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated and further provided that the Director of the Department of Building Inspection may authorize minor changes in the structural detail of plans on file, viz:

WARD 1. Application of C. Hazard Brownell, 362-366 Waterman Street Plat 15, lots 37 and 362, install one (1) gasoline filling pump, making a total of five gasoline filling pumps upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Director of Department of Building Inspection, or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.
