RESOLUTION OF THE CITY COUNCIL

No. 132

Nicholas W. Easton, President
Honorable Members of the City Council
City Hall
Providence, R. I. 02903

Dear Council President Easton and Honorable Members:

In January of 1986 I decided to move back home to Rhode Island from Scituate, Massachusetts with my two teenage sons. From January to June of 1986 I looked extensively for an affordable home in the Rhode Island area. After many months of searching for a home I could afford I found a small house in Greenville, Rhode Island which I purchased in June of 1986 with the financial help of my former husband.

During this same timeframe I looked for employment in the Rhode Island area. In July of 1986 after many job interviews I was offered a position on Mayor Paolino's staff in the Department of Administration. This was a most exciting opportunity for me as I was formerly employed by the City of Providence from 1962 to 1968 at which time I was secretary to Mayor Joseph A. Doorley, Jr.

I am aware of the Home Rule Charter provision which requires city employees to be residents of the City of Providence. However, to date I have not been able to sell my home in Scituate. This means I am temporarily responsible for two mortgage payments. This is a tremendous financial hardship on myself and my former husband. Needless to say, until my home in Scituate is sold I am not in a position to move again at this time. I feel confident that the house will sell in the next few months. Therefore, I am respectfully requesting a six month extension to the resident requirement under Section 1210 of the Home Rule Charter to enable me to move into the City of Providence.

Thank you for your kind consideration in this matter.

Sincerely,

Joyce Coleman
