Stephen is co-founder and CEO of Providence based Ximedica. Ximedica is a full-service product development and manufacturing partner to some of the largest corporations in the world. The company is ISO certified, FDA registered and employs over 120 professionals spanning research, design, engineering; clinical QA/RA capabilities and clean room manufacturing.

Stephen brings deep entrepreneurial and executive experience to Ximedica, where he defines and executes corporate and long-range planning initiatives, and spearheads business development and strategic partnering activities. Prior to founding Ximedica, he earned degrees in both Fine Arts and Industrial Design from Rhode Island School of Design (RISD) where he has continues to serve as an adjunct faculty member.
