TO: Rose Mendonca, City Clerk  
FROM: B. James Suzman, Director of Public Works/Traffic Engineer  
DATE: September 30, 1988  
RE: Wesleyan Avenue

Be advised that Mr. Jake Kaplan has requested that Wesleyan Avenue be made two-way, currently one-way, on a temporary basis due to expansion and construction of his business facilities. The street being twenty-two feet wide, this would necessitate No Parking Anytime on both sides of the street.

As you are aware, one-way streets or changes in directions of streets require Council passage prior to issuance by the Traffic Engineer of a Traffic Regulation. Please have this matter placed on the Council docket for consideration.
