MAYOR JOSEPH A. DOORLEY, JR.

March 25, 1971

Honorable Michael E. Kelly, Chairman  
City Property Committee  
City Clerk's Office  
Providence, R. I.

Dear Mike:

Enclosed are copies of a letter from David Joyce requesting permission to use the former fire station at Academy Avenue and Eaton Street for the Housing Authority administrative staff.

I believe Dave's request is a legitimate one and I respectfully request your Committee to give it a favorable review.

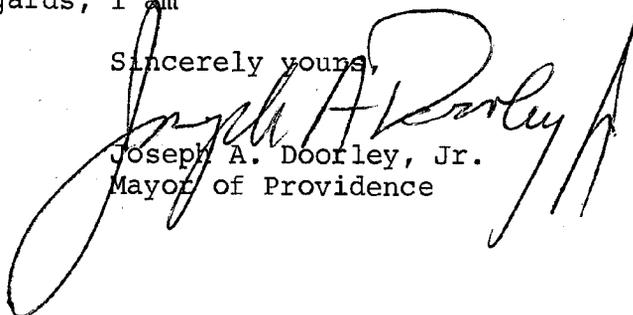

The building is presently starting to become deteriorated and I am sure if the Housing Authority were located there it would be well maintained.

I have taken the liberty of contacting Councilmen Lynch and Mascia and neither would have any objection to this move.

I hope you and your Committee will be able to give this request an expeditious and favorable review.

With warm regards, I am

Sincerely yours,

  
Joseph A. Doorley, Jr.  
Mayor of Providence

The Honorable Joseph A. Doorley, Jr.

Mayor of the City of Providence  
City Hall  
Providence, Rhode Island

Dear Mayor Doorley:

As you may know the Commissioners of the Providence Housing Authority recently voted to have the administrative staff presently located at 263 Chad Brown Street, Providence Rhode Island relocate from its present building, making available the facilities for a multi-purpose center to be used by residents of the Chad Brown and Admiral Terrace housing development.

For the past 3 months, I have been looking for quarters without too much success. However, yesterday; March 2nd, I talked with Everett Trivisono, Director of Public Property relative to the use of the former Fire Station at the corner of Academy Avenue and Eaton Streets. In fact, yesterday; I viewed the building. Our Chief of Maintenance has taken measurements and assured me that the building will be adequate for our use.

The purpose of my letter is to respectfully request your approval to permit the Housing Authority use of this building for a period of about 2 years, until such time as the Authority may wish to move its administration office into a new development.

RE:

The Authority would take care of all necessary renovations from its funds. The parking situation would be alleviated because of 6 existing parking spaces along with 6 additional new spaces on Academy Avenue.

In all candor, it will be greatly appreciated, not only by the Commissioners but by myself as well, should you see your way clear to make this building available for our Administration Office only.

Please feel assured, I will be very pleased to make available any further data you may need.

I shall await a decision from you.

Cordially,

  
David Joyce
