Dear Mr. Deller,

It has come to my attention that when the Department of Planning and Development forwards correspondence relative to matters pertaining to the Committee on Urban Redevelopment, Renewal and Planning that a copy is not being provided to the City Clerk. The request to provide this information has been made in the past, and to date your office has not complied.

The City Clerk is the official record keeper for the City of Providence, and as such, all future correspondence sent by your department to the Committee on Urban Redevelopment, Renewal and Planning **must** be sent to the Clerk, as this is the procedure followed for all of the Council committees.

I ask that your department immediately adhere to this request.

Very truly yours,
