Resignation from Retirement Board

Dear Theresa -

I hope this note finds you well. Happy summer! I'm reaching out to ask if I may share my resignation from the City's retirement board. Unfortunately I found in the spring and early summer that the demands of my new school leadership role made in-person meetings too challenging to reliably attend. And I don't want to be a member with a poor attendance record, I'd rather have another member take my seat with more availability. I shared this resignation with Larry Mancini by email a few weeks ago but I see I'm still on the agenda as being absent, so I don't know if I need to do something different. Could you forward along to the right person?

Thanks so much, hope you and the team are well -
Toby
