Good Morning Lori,  
Thank you for your call and forwarding the letters for review and recommendation. The postmaster reviewed the three requests.

The request for Service Road 7 be renamed "John J. Partington Way" is okay.  
The request for Nolan Street Extension be renamed to "Francis Smith Way" is okay.  
The request for 15 LaSalle Square be renamed "One Hasbro Way" is not recommended. To change one address on a street is not compatible with our system.

If you have any questions, give me a call, 276-6950.

Have a great day,  
Donna

Donna,

As per our conversation, please find attached copies of requests for street name changes previously sent to the Postal Service Office in Connecticut.

The Committee on Urban Redevelopment, Renewal and Planning will be meeting on Tuesday, December 11, 2012, to discuss these matters. I would like to be able to notify the Committee if there is any objection by the Post Office relative to these matters.

Also, as we discussed, I would appreciate knowing for future reference who will be handling these requests for Providence, as we want to continue to give the Post Office the opportunity to have input relative to these matters.

If you have any questions, please feel free to contact me.

Thank you,  
Lori
