Recommendation: E.W. Audet was the sole bid for the on-call services and planned electrical work 3 year Blanket Contract. E.W. Audet & Son's have extensive knowledge of Providence Water's treatment plant and pumping facilities and due to the critical and specialized nature of these facilities, Providence water requires a rapid response approach to many fast tract projects and repairs with its on-going infrastructure replacement and capital improvement program. It is in the best interest of Providence Water to award this 3 year Electrical Service Blanket Contract to E.W. Audet & Son's in the amount of \$2,000,000.00.
