Dear Councilman Jackson:

I am writing to request that the City Council authorize the transfer of the \$5,291,807 in the Council's Contingency Fund for Education (101-5-00111-3410) to the Transfer to Schools account (101-5-00801-3990). Through April, the Transfer to Schools had a balance of only \$1,074,392. Therefore, funds from the Council's Education Contingency Account will be needed in the very near future, in order to continue the funding of the School Department.

I would greatly appreciate your sponsoring of this ordinance amendment. I will be available to answer any questions you may have regarding this transfer.

Sincerely,

A handwritten signature in cursive script that reads "Alex Prignano".
