**DEPT. OF CITY CLERK
PROVIDENCE, R.I.**

City of Providence

Rhode Island

Department of City Clerk

MEMORANDUM

DATE: October 22, 1980

TO: Frank Tibaldi, Traffic Engineer

SUBJECT: O'Neil Street - One-Way

CONSIDERED BY: Committee on Public Works

DISPOSITION:

Attached is a copy of the subject Resolution for your study and report, back, in writing, to the subject Committee.

FRANK A. TIBALDI
TRAFFIC ENGINEER

VINCENT A. CIANCI, JR.
MAYOR

TRAFFIC ENGINEERING DEPARTMENT
60 ERNEST ST. PROVIDENCE, R. I. 02905 781 - 4044

December 15, 1980

Committee on Public Works
City Hall
Providence, Rhode Island

Gentlemen:

The following proposed resolutions have been reviewed by this department and has made the following dispositions:

Request: That Anthony Avenue be established as a one way street.

Disposition: Denied. The majority of the residents of Anthony Avenue do not want the street made one way.

Request: That the Traffic Engineer is requested to cause the installation of four-way STOP signs at the intersection of Ivy Street and Dana Street.

Disposition: Denied. There are no traffic warrants to justify the installation of a four-way stop control at this time.

✓ Request: That O'Neil Street be made a one way street, from Veazie Street to Douglas Avenue in a southerly direction.

Disposition: Denied. O'Neil Street serves as a connector between Douglas Avenue and Branch Avenue. In addition, the speeding problem that already exists on O'Neil Street would be greatly increased.

Very truly yours,

Frank A. Tibaldi
Traffic Engineer
