Dear Councilman Payne:

On November 17, we received a memorandum from the City Clerk's Office with regard to a petition requesting the abandonment of Clara Street from Smith Street to its northeasterly termination.

We have reviewed our distribution plans and find that we do not have facilities in this area of the proposed abandonment. We, therefore, offer no objection to the petition.

SUBJECT: Referral No. 1858 - ABANDONMENT OF CLARA STREET

Gentlemen:

This petition from the Committee on Public Works is a request for the abandonment as a Public Highway of Clara Street which runs from 503 Smith Street (Plat 69) in a northeasterly direction for approximately 150 feet to a dead end.

Inspection revealed that Clara Street is uncurbed and terminates at the lot line of the Camden Avenue school property which drops off abruptly to a grade 16 ft. lower in elevation. The street is flanked by a gasoline station on the east, a 2-1/2 story frame dwelling on the left and is fenced off at the "dead end" drop off.

Since this street serves no essential function, either for travel or access, no objection is offered by this department to its abandonment provided that existing utility and/or drainage lines (if any) be protected by the necessary easements.

The Commission

VOTED: To offer no objection to the abandonment of Clara Street as a public highway.

Very truly yours,
