SUBJECT: Referral No. 1553 - TO DEDICATE FOR HIGHWAY PURPOSES PORTIONS OF BRIDGHAM, CRANSTON, DODGE AND CAHIR STREETS

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Thursday, June 30, 1966.

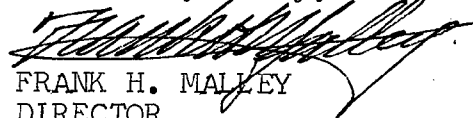

This referral is a request for the City to dedicate for highway purposes portions of Bridgham, Cranston, Dodge and Cahir Streets.

On an inspection survey it was determined that the portions of the streets referred to in this referral have been widened to accommodate a heavier traffic flow. They are also within the Central-Classical Project Area.

The Commission

VOTED: To offer no objection to the granting of this petition.

Yours very truly,

# RESOLUTION OF THE CITY COUNCIL

No. 360

Approved July 11, 1966

RESOLVED,

That permission is hereby granted to Howard Realty Company to erect a canopy with suspended signs overhanging Westminster street on Howard Building Addition, 155 Westminster Street, on Plat 20, Lot 18; all in accordance with the accompanying petition and plan approved by the Director of the Department of Building Inspection and further upon condition that evidence, satisfactory to the City Solicitor, that Public Liability insurance indemnifying the City of Providence from loss or damage sustained by reason of its maintenance and use is in effect.

**PETITION TO THE CITY COUNCIL**

TO THE HONORABLE CITY COUNCIL OF THE CITY OF PROVIDENCE:

*The undersigned respectfully petitions your honorable body*

For permission to erect a canopy with suspended signs overhanging a public way (Westminster Street).

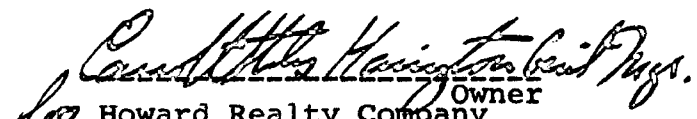

Canopy will be constructed of reinforced concrete and will extend 7 feet 8 inches beyond the Southerly property line of Owner's property, and will extend the full width of said property in the East and West direction along Westminster Street a distance of approximately 74 feet.

The canopy shall obtain its support by cantilever action from the reinforced concrete structure of the building. Securely attached to the bottom surface of the canopy will be five (5) metal and plastic interior illuminated signs, for purposes of identifying Ground Floor Store Tenants and Building designation. Bottom of signs will occur a minimum of 9'-0" above sidewalk grade.

The canopy and signs will comply with all applicable sections of the Building Code of the City of Providence.
