The Honorable City Council
Committee on Public Works
City Hall
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: To relocate the traffic signal at West Friendship Street and Elmwood Avenue to Parkis Avenue and Elmwood Avenue.

Disposition: Denied. Our survey of the intersection shows that the accident rate has been low and the number of vehicles travelling Parkis Avenue during peak hour was extremely low in considering this request.

Very truly yours,
