

RESOLUTION OF THE CITY COUNCIL

No. 649

Approved December 12, 1991

WHEREAS, Elizabeth Lemos has decided to retire after many years of service to the City of Providence, and

WHEREAS, "Betty" worked the counter in the City Clerk's office. Her greatest gifts were a love for research and attention to detail, and over her years of service, she gained an immense knowledge of city government and the functions of various departments. The fortunate citizen who came to "Betty's counter" first was either given the correct answer to their question or sent to the place where it could be answered. The less fortunate arrived after a lengthy and tiresome expedition through a maze of red tape. And even if a citizen was a bit testy and irritable after such a journey, Betty treated him or her with courtesy and respect, and

WHEREAS, "Betty" has earned the respect of her colleagues and co-workers throughout City Hall. She very rarely missed a day of work in all her years of service, she never took "breaks", and was working on the report activity in the City Clerk's department while recuperating from a heart attack, and

WHEREAS, a great champion of tradition, Betty was not one to go in for every passing "fad". She had learned to type on a manual typewriter and the one she had used for years functioned perfectly well, so despite of the urgings of the City Clerk and her colleagues, and she never saw a reason to switch to an electric model,

NOW, THEREFORE, BE IT RESOLVED, That the Members of the City Council extend to Elizabeth Lemos their sincere thanks for the kindness, courtesy, and respect she has shown to us over the years, along with our personal best wishes for a long and healthy retirement, and

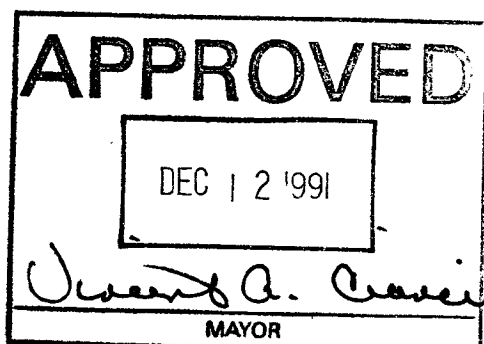

BE IT FURTHER RESOLVED, That the City Clerk is directed to cause the typewriter that "Betty" has used for all these years be adorned with a suitable plaque and presented to her, to recognize the rare dedication with which she served the people of Providence, and to serve as a small token of their appreciation.
