The Honorable Rose M. Mendonca  
City Clerk of the City of Providence  
City Hall  
Providence, Rhode Island

Dear Mrs. Mendonca:

The Rhode Island Public Buildings Authority recently received from you Resolution No. 330 of the Honorable City Council of the City of Providence. We are pleased that the City Council is taking an interest in the affairs of the Authority. As you know, there has been a great deal of cooperation between the City of Providence and the Authority in the planning and construction of the new Providence Judicial Court Complex.

According to the provisions of The Resolution, the City Council has urged us to require competitive bidding for the construction of the project. Kindly convey to the City Council the fact that the Authority in February made it be known to the public that competitive bidding would, in fact, be so required.

We appreciate the interest of the City authorities and look forward to continued cooperation for the benefit of the public. I would appreciate it if you would read this letter to the Honorable Members of the City Council.
