

THE CITY OF PROVIDENCE
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

RESOLUTION OF THE CITY COUNCIL

No. 254

Approved March 21, 1983

WHEREAS, The City Employees' Retirement System has a substantial unfunded liability, and

WHEREAS, Over the past years the benefits for retired City Employees have been increased from time to time by the General Assembly thereby adversely impacting on said unfunded liability and on the security of benefits payable to present and future retired City Employees, and

WHEREAS, Such legislation requires an ever greater portion of City revenues to be allocated to contributions to said Retirement System and therefore, results in pressure to increase the tax burden on City taxpayers, and

WHEREAS, Under the Laws of the State of Rhode Island and the Providence Home Rule Charter, the City Council and the Mayor of the City of Providence have responsibility for setting the City's tax rate and approving a City Budget for expenditure of City revenues, and

WHEREAS, Under principles of comity and respect for the authority and responsibility of the Government of the City of Providence, it would be desirable for the General Assembly to obtain the views of locally elected officials of the City of Providence on legislation which directly impacts the expenditure of City funds,

NOW, THEREFORE, BE IT RESOLVED, That the General Assembly is hereby requested not to enact any legislation affecting the Providence Employees' Retirement System unless the Providence City Council has first approved same.
