Dear Councilman Flynn:

On March 30, 1977, this department received copies of petitions
for the abandonment of portions of the following streets:

Stevens Street and Charles Street
Orms Street
North Main Street
✓ Dryden Lane and Printery Street

A review of our distribution system shows that the Water Supply
Board utilities will not be affected in these portions to be
abandoned so therefore have no objection to the granting of these
petitions.

Very truly yours,

Peter P. Granieri, Jr., P.E.
Chief Engineer
