Please be advised that I am in receipt of the two Resolutions encaptioned above. I have assigned both of these tasks as follows:

No. 146: Regular Cleaning of Dexter Training Grounds (Between April 1, 1991 and October 31, 1991)

This has been assigned to Mr. Joseph Salem, Director of the Division of Grounds Maintenance. He has been instructed to add the Training Grounds to his weekly clean-up schedule beginning April 1, 1991.

RE: CITY COUNCIL RESOLUTION NO. 147

On Friday, 22 March 1991, I did receive a "INTER-OFFICE MEMO", dated March 20, 1991, from Mrs. Nancy L. Derrig, Superintendent of Parks. Within that memo Mrs. Derrig requested that I (create and) post the 9:00 o'clock P.M. closing curfew signs for Blackstone Park, per City Council Resolution No. 147 as approved on March 15, 1991.

Attached is a copy of my memo to Mrs. Derrig, dated 23 March 1991, in which I have informed her that I have created and provided to her six (6) signs that can be posted for Blackstone Park. I work alone - I do not have any workmen assigned to work with me - I do not have the facilities to install these signs - I do not have the authority to appropriate the manpower and equipment to install these signs. I have provided the six (6) signs to Mrs. Derrig; she has the authority to appropriate the manpower and equipment to install these signs.

RE: CITY COUNCIL RESOLUTION NO. 147

COPY

On Friday, 22 March 1991, I did receive your "INTER-OFFICE MEMO" dated March 20, 1991 in which you requested that I post signs per City Council Resolution #147. The resolution, as approved on March 15, 1991, "RESOLVED, That the Superintendent of the Park Department is requested to enforce the 9:00 o'clock P.M. closing curfew within Blackstone Park and to have signs posted to that effect."

On Friday, 22 March 1991 and Saturday, 23 March 1991, I did acquire and coat with white reflective material - six (6) 12"x18" aluminium sign blanks. I also did layout and cut RED vinyl lettering for the six (6) signs. The wordage on these signs are:

PARK
CLOSED
AT
9:00PM.

POLICE WILL
ENFORCE

Mrs. Derrig, I have created the signs requested by the City Council Resolution (#147) but I do not have the facilities nor do I have the authority to appropriate the manpower and equipment required to install the signs. I am providing you with six (6) signs - respectfully, you have the authority to appropriate the manpower and equipment to install the signs; you also know where these signs are to be installed.

Mrs. Derrig, being that your memo did not indicate how many signs you required and that I chose to create six (6) - please contact me if additional signs are required for this project.

I am forwarding a communication to the City Clerk informing her that I have created the signs and that I have provided the signs to you for installation by Parks Dept. workmen.
