Dear Councilman Payne:

We have received a memorandum dated October 2, 1970 from the Department of the City Clerk, together with a copy of a petition for abandonment of a portion of Aborn Street and a portion of Mason Street.

The portions of the subject streets are within the area of the new Civic Center. It has been the policy of the Water Supply Board not to bill the Redevelopment Agency for the depreciated value of our facilities in areas which they request abandonment. Payment for the installation of new water main facilities is included in the general construction cost for the project.

Very truly yours,

Joseph E. Martin  
Chief Engineer
