March 31, 1965

To the Honorable the City Council of Providence

Gentlemen:

On August 5, 1964, a report was forwarded to your Honorable Body pertaining to a resolution to establish a crossing guard post at the intersection of Hope St. and Mount Hope Avenue. It was pointed out in that letter that a valid analysis could not be conducted because the resolution was received just prior to the closing of school for the summer, but the resolution would be re-examined in connection with a city-wide survey of the crossing guard situation.

This area has been checked and it has been determined that the location does not require the services of a crossing guard.

Respectfully submitted,

*Harry Goldstein*

Public Safety
