**RE: Requesting Approval to Pay Veridos America, Inc (Formerly Known as Valid USA) for Software Support and Licenses for Municipal Identification Cards**

Item #45283

Minority Participation: 0% MBE, 0%WBE

Account Code: 101-204-53440: \$25,000.00

Dear Mayor Smiley,

The Department of Information Technology respectfully requests approval to pay Veridos America, Inc (formerly known as Valid USA) for Valid software support and licenses for a total amount not to exceed \$25,000.00 in FY2024.

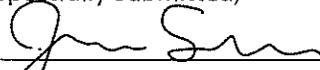

The contract was originally awarded for Valid software on January 22, 2018 following an RFP, and has been extended annually, according to the contract provisions.

We are seeking an extension of the contract to continue producing and issuing Municipal Identification Cards to the residents of Providence. The program has provided identification to over 2,000 individuals to date. Providence has standardized on the Valid application, ID design and security protocols, and has invested significant time and money on the training and hardware required to support the Valid ID program.

Funds in the amount of \$25,000.00 are available in account 101-204-53440 in Fiscal Year 2024.

Veridos America, Inc

Respectfully Submitted,
