Dear Ms. Hagen:

I write concerning my recent appointment by the City Council President to the Historic District Commission. In my work for constituents, I have appeared before the Commission to advocate with regard to particular projects, and I have drafted and sponsored legislation that regulates the Commission. Were I appointed to serve as a member of the Historic District Commission, I could not continue my work in these areas as there would be a conflict. Based on my discussions with both Mr. Martin at the Commission and the City Council President, we all share the view that it would be best for the City Council President to designate someone else to serve in this capacity. With that in mind, I would appreciate your declaring vacant the position on the Historic District Commission to which I was appointed.

Thank you for your assistance.

Sincerely,
