Dear Councilman Lombardi:

The Rhode Island Earth Day Committee invites your city or town to adopt one of the enclosed resolutions in celebration and support of Earth Day 2000 at your next city/town council meeting.

Earth Day is about ACTION -- actually doing something to make the Earth a better place. Therefore, in addition to signing the Earth Day resolution, we would like your town or city to commit to one or more of the environmental actions listed on the attached page. Our goal is to have all 39 cities and towns adopt the resolution in an effort to broaden the base of public involvement in Earth Day education, activities and events. The resolution can be adapted to include local Earth Day events as well. Resolutions will be displayed at the Earth Day Festival to be held on Sunday, May 7, 2000 at Goddard State Park in Warwick.

Please call me if you would like more information regarding the resolution or Earth Day. We look forward to receiving a copy of your resolution for display at the Earth Day Festival.

Sincerely,
