DATE: 2/4/99

RE: PENDING MATTER

REQUEST: That the Traffic Engineer is requested to install
"20 MPH" speed limit signs along Osborne Street.

DISPOSITION: Denied. This department does not lower the speed
limit to 20 MPH on residential streets. The
existing limit of 25MPH is safe and prudent and
should be enforced by the police.

MEMORANDUM

TO: Councilman Robert Clarkin
Chairman, Committee on Public Works

FROM: Irene J. Testa, Director 

DATE: 2/4/99

RE: PENDING MATTER

REQUEST: That the Traffic Engineer is requested to install speed bumps on Unit Street, Sission Street and Ortoleva Drive.

DISPOSITION: The installation of speed "HUMPS" not bumps is one type of traffic calming measure. A comprehensive study would be required before any measures are taken. Presently, there is a section in the Elmwood neighborhood that has implemented traffic calming and the Fox Point neighborhood is presently being studied. The above area will be studied next.
