The DPW - Division of Traffic Engineering has investigated the request to study the parking on Dunford Street and has the following to offer:

Dunford Street between Pocasset Ave and Plainfield Street is twenty-four (24) feet wide. There are currently no parking restrictions. The DPW-Traffic Engineering Division recommends restricting parking on the west side of the Dunford Street between Pocasset Ave and Plainfield Street. If this is acceptable, please send a letter to the Traffic Engineer stating your approval and a traffic regulation will be issued to install No Parking Anytime signs on the westerly side of Dunford Street between Pocasset Ave and Plainfield Street.
