"Building Pride In Providence"

Dear Steve,

The woman who has been a volunteer  
on the Archives is Wendy Baker.

She has a degree in History is  
now a student of Historic Preservation at  
Roger Williams College + has spent a  
number of years as a navy officer.

She has spent this summer on the Archives  
on various research projects for the archives  
and has helped to sort, index and  
catalog the material sent to us from  
Planning + Development when they moved  
to 400 Westminister St. There was a  
fantastic amount of work to process.

Without her help it would have been  
an endless chore.

Some recognition would be  
greatly appreciated.

Thank You!  
Carole
