## TRAFFIC ENGINEERING DEPARTMENT

60 ERNEST ST.

PROVIDENCE, R. I. 02905

781 - 4044

February 21, 1973

The Honorable City Council  
Committee on Public Works  
City Hall  
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received the following petition from your Committee and has taken the subsequent action:

Request: To install a motor vehicle traffic signal light at the intersection of Admiral and River Streets.

Disposition: I have investigated your request for the installation of a traffic signal at the above mentioned intersection. Presently there are warrants for the installation of a traffic signal and we have placed this on our list of traffic signals to be installed. With the advent of revenue sharing, we hope that we will be able to install these traffic signals next year.

Very truly yours,

Frank A. Tibaldi  
Traffic Engineer
