The Adoption of this Ordinance, as an Emergency Measure, is necessary in order for all personnel to be compensated in accordance with the provisions of the appropriation Ordinance for the Fiscal Year Ending June 30, 1978, as amended.

Sec. 2. The minimum rate of pay for any class of position shall be payable to any person on his first appointment to the position allocated to the class, provided however, that with the recommendation of the Director of Finance and approval of the Mayor, he may enter the position at any other step in the "Pay Grade" and provided further, that if a person already in the service is transferred, he may with the recommendation of the Director of Finance and ap-

proval of the Mayor, enter the new position at the same rate of pay as he had previously received.

Sec. 3. Any employees employed in a position allocated to a class carrying minimum and maximum pay rates may be granted a pay increase from one step to the next higher step within established grade, subject to the following:

1. One "Pay Grade" step per year.
2. Recommendations for step increases shall be made by department heads or the Chairman of Bureaus or Commissioners at the time of submission of annual budget estimates, and at no other time. Such recommendations shall be made on the basis of the quality of work and the seniority of individual employees.
3. The Director of Finance shall review such proposed step increases for availability of funds and conformity to the provisions of this Ordinance, and shall recommend approval or disapproval of the increase to the Mayor.
4. An employee entering the city service shall be eligible for a step increase on the first day of the succeeding January, April, July or October next following the completion of twelve months of service by said employee in accordance with the provisions of sub-sections 1, 2, 3, and 5 of this Section.
5. Any employee who is transferred from a position not carrying a minimum and maximum pay rate to one that carries a minimum and maximum pay rate shall receive either his present salary or the minimum salary of the new position, whichever is greater, but in no case shall the new salary exceed the maximum salary of his new position.
6. Increased compensation received by an individual as the result of promotion from a lower to a higher class shall not be deemed a step increase in the sense of the term as used in this section and in the event of promotion shall automatically receive the minimum salary for the class to which he has been promoted. If such

minimum salary is the same or less than the salary he received prior to his promotion, he may receive a salary which shall be one full increment higher than his prior salary, but in no case to exceed the maximum.

Sec. 4. A given rate of pay as expressed in the compensation plan may be commuted to weekly, daily or hourly rate and established by a department head or Chairman of a Bureau or Commission with the approval of the Mayor and the Director of Finance, as the rate of pay for employees of a particular class: provided, however, that all employees of a given class in a given unit of a department shall be paid on the same basis, excepting part-time and temporary employees.

Read and Passed, the Second Time, on motion of COUNCILMAN LYNCH, seconded by COUNCILMEN ADDISON and PEARLMAN, by the following Roll Call Vote:

Ayes: Council President Haxton and Council-

men Addison, Ahern, Bradshaw, Councilwoman Brassil, Councilmen Cirelli, Fagnoli, Flynn, Glavin, Gorodetsky, Johnson, Lynch, Mansolillo, McKiernan, Merola, Pearlman, Stravato and Xavier—18.

Noes: Councilmen Almagno, Cola, Garan, Henries, Petrosinelli, Salvatore and Tomasso—7.

Not Voting: Councilman Turchetta—1.

COUNCILMAN GARAN addresses the Chair and Requests the Clerk to Read the following addressed to the Honorable The Mayor and the City Council from Arthur E. Coia, International Vice President, Laborers' International Union of North America, affiliated with AFL-CIO and CLC:

We need not recite for you, once again, the situation which has arisen with respect to the Mayor's budget and tax levy and to the ensuing threat of layoffs and cut-backs as well as the abolition of certain positions within the City.

On several occasions, we have made our position known in the strongest possible terms because we feel that we are required as the representative of these city employees to represent them in the strongest possible way.

We are just as concerned about their pension rights as we are concerned about your pension rights, which you have acquired as a member of Local Union 1033. These individuals have served the City of Providence well and faithfully over the years and, might I add for a pitance until they were properly represented while Department Directors and Division Chiefs were growing fat on inflated salaries at the expense of the people of the City of Providence.

We are not interested in seeing the City of Providence go into bankruptcy. We live here. We work here. We have our homes here. Our children attend school here. We belong to various churches here. In short, all of our interests are here, and we are not prepared to scuttle all that merely because the Mayor and City Council cannot get along.

We are prepared to participate in an "AD HOC" Committee to seek solutions to the problems which obviously will never be solved as long as both sides remain intransigent.

We urge you, therefore, in your interest, in the interest of the people of the City of Providence and in the interest of those faithful employees of the City of Providence that we sit down and reason together. Let disputes be a thing of the past. Let reason prevail, and I am confident that together we can reach a suitable

solution, one which will prove satisfactory to all of the parties involved.

In order to achieve this goal, it will be necessary for the City Council to cooperate with us

to the extent that it delay at tonight's meeting, the enactment of the Classification Plan which would of necessity require the abolition of 182 positions and might lock both parties into positions from which they could no longer retreat.

## RECESS

Absent: None.

On motion of COUNCILMAN LYNCH, seconded by COUNCILMAN ADDISON, it is Voted to Suspend Rule 2 of the Rules of the City Council in Order to Allow the City Council to Meet on a Day Other Than Provided in Said Rule 2.
