My dear Mayor:

It is with great regret that I address this letter to you. As you know, since November of 1963 I have been associated with The First National Bank of Attleboro, Massachusetts. During the last week of July 1964 I will be changing my residence from Providence to the city of Attleboro. Therefore, I feel that it is incumbent on me to submit to you at this time my resignation as a member of the Board of Park Commissioners. This will be effective at your pleasure.

The work with the Park Commission has given me a great deal of satisfaction; and I believe that under the supervision of the current Superintendent - Mr. Ralph Hartman - the Park Department has seen many improvements. I am sure that you will choose a new member who will have the interest and capability to further improve the system. My successor will certainly have my best wishes.

With many thanks for your confidence in appointing me to the several terms which I have had on the Commission, I am
