Mr. Vincent Vespia, City Clerk  
City Hall  
Providence, Rhode Island 02903

Dear Mr. Vespia:

As you requested in our recent telephone conversation, I am submitting this letter to request your assistance in obtaining permission to install three outdoor public telephone booths at the Majestic Shoppers Garage.

At this time, I am requesting permission for two booths on the Washington Street side of the garage and one booth on the Fountain Street side.

If approval of this request is granted, I intend to install the "Kiosk" booth, which is the latest and most attractive booth available. I am enclosing a brochure describing the "Kiosk" booth and a sketch showing the proposed location.

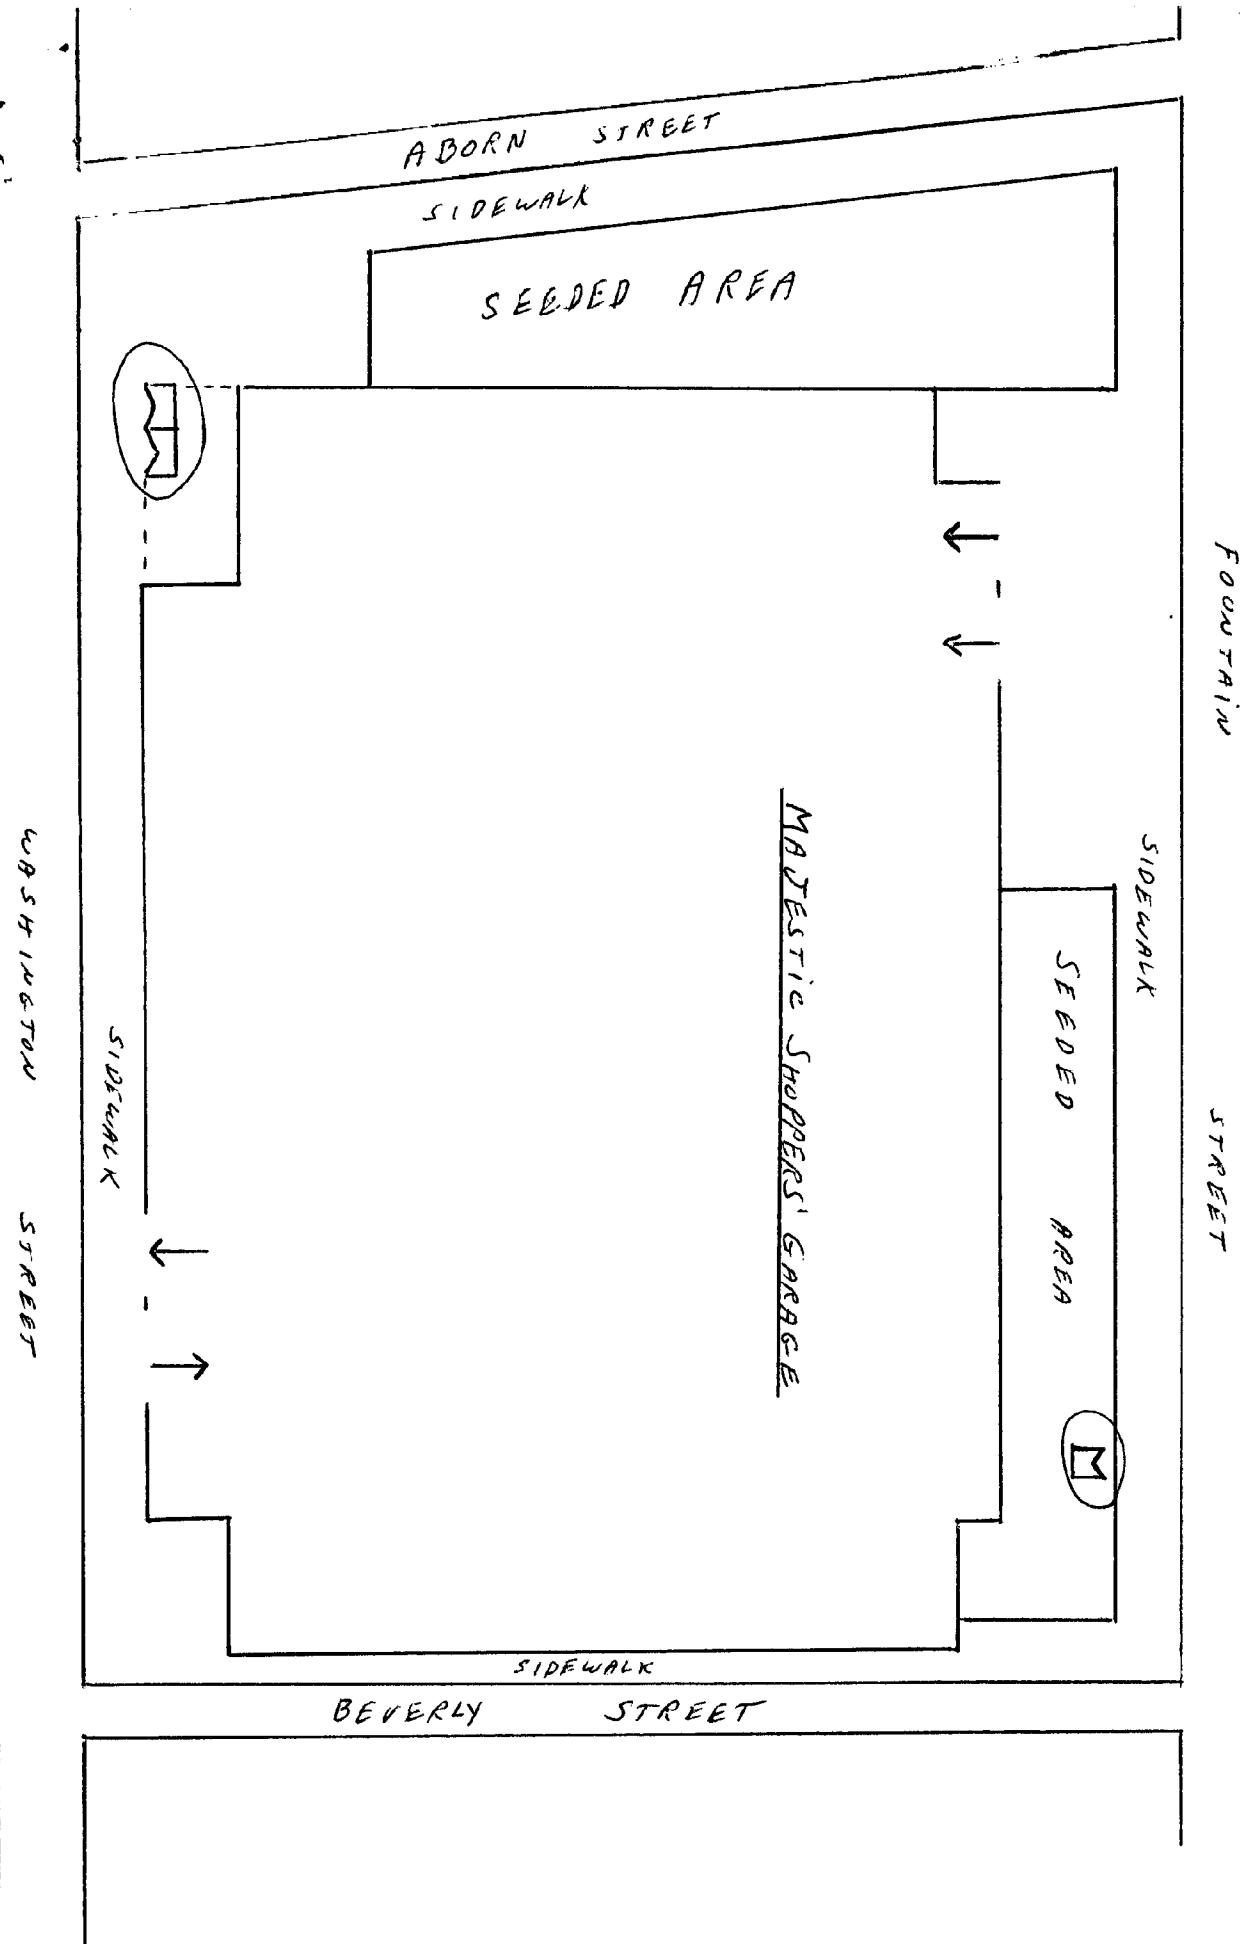

Any assistance you might render in this matter will be appreciated.

If any further information is required, please call me at 525-2634.

Very truly yours,

Bernard F. McDonald  
Public Telephone Consultant

# RESOLUTION OF THE CITY COUNCIL

No. 228

Approved April 19, 1971

WHEREAS, Under authority of Section 116 of the Housing Act of 1949, as amended, the United States of America, acting by and through the Secretary of Housing and Urban Development has agreed to make a Federal grant to the City of Providence to assist in a program of demolition of structures which are unsound and unfit for human habitation, which program is described in Application for Demolition Grant No. R. I. M-4, and

WHEREAS, As a condition precedent to the payment of a grant under Section 116, it is necessary that the City of Providence exhaust all other available legal procedures to secure remedial action by the owners of the structures before governmental action is had to demolish them, and

WHEREAS, Certain demolition work has been carried out under the program and the City of Providence is desirous of receiving a grant payment to cover the costs of such demolition,

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PROVIDENCE,

1. That the demolition of the structures set forth on the schedule supporting the requisition for payment of Federal grant was in accord with the requirements of State and local law and in the public interest.
2. That all other available legal procedures to secure remedial action by the owners of such structures were exhausted before governmental action to demolish them was taken.
