CLERK

Gregory L. Benik, Esq.
President
Jefferson Renewable Energy

Mr. Benik is a nationally recognized environmental and energy regulatory attorney who joined JRE in October, 2007, and named President. During his 30-year legal career, Mr. Benik represented major utility and energy companies and obtained extensive experience and expertise in developing and permitting complex energy and infrastructure projects. His experience includes extensive involvement in the development and permitting of gas and coal-fired power plants, LNG facilities, hazardous and solid waste incinerators, and natural gas and water pipelines. Prior to joining JRE, Mr. Benik was a partner at Nixon Peabody LLP and was formerly a partner and co-chair of the National Environmental Practice Group at Holland & Knight LLP. Mr. Benik obtained his B.A. from Lafayette College and his J.D. from Case Western Reserve University.
