Dear Mr. Whalen:

I wish that you would convey to the Mayor and the City Council our gratitude for the appropriation of \$2,000 to keep up John Brown House and the beautiful grounds which surround it. This appropriation means a great deal to the Society for we are very fond of this beautiful historic mansion but do find it difficult to keep up such an extensive park. I hope that every member of the City Council may some time come up on the hill to see this lovely mansion.

Cordially yours,

*Clifford P. Monahan*

Gentlemen:

The Traffic Engineering Department has investigated the intersection of Fruit Hill Avenue and Woonasquatucket Avenue as directed by City Council Resolution #518.

An investigation of the volume of traffic in addition to the traffic accident analysis of the intersection was made; and it is felt that in light of the very minor traffic volume and the excellent accident history that no traffic restrictions are warranted at this time.

Very truly yours,

  
Roger T. Chandler
