Mr. Vincent Vespia, City Clerk
City Hall
Providence, Rhode Island

Dear Mr. Vespia:

The petition by Northern Associates, Inc. dated 1/16/70 concerning a zone change of property bounded by Blackstone, Plain, Dudley and Gay Streets in Assessor's Plat 45 requests that the zoning on this property be changed from R-2 to C-1.

Our records show that the present zoning on this property is not R-2 but partly R-4 and partly C-1.

We question the validity of a recommendation based on erroneous reference. However, we will present our recommendation concerning the potential C-1 zoning for this property if you consider it proper for us to do so in spite of the inaccurate reference. Please advise us.

Yours very truly,

SUBJECT: Referral No. 1773 - ZONING CHANGE ON LAND BOUNDED BY BLACKSTONE STREET,
DUDLEY STREET, AND GAY STREET

Gentlemen:

This referral, from the Committee on Ordinances is a request for a zone change on Lots 56, 57, 58, 59, 60, 66, 62, 77, 76, 75, 74, 595, 65, 72, 73, 71, and 69 in Assessor's Plat 45. The petition proposes that the zoning on this property be changes from the present R-4 to C-1 (light commercial). The land in question is part of a block bounded by Gay Street on the west, Dudley Street on the north, Plain Street on the east and Blackstone Street on the south. The portion of this block not mentioned in the petition is already zoned C-1.

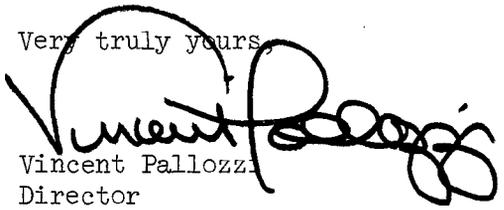

Inspection revealed that the proposed zone change area is in the process of being demolished. At the time of inspection, the only building still standing and in use is a dwelling on Lot 56. A dwelling on Lot 75 is partially demolished and a public bathhouse on Lot 77 is vacant and abandoned. Lots 65, 75, and 76 are still being used for parking.

It seems possible that this property is to be used for purposes allied to the nearby hospital facilities, although no concrete evidence that this is the case has been made available to this department.

No objection is offered to the granting of this petition.

Since the land in question lies within the Model Cities Area, that agency has been duly informed of this petition and agrees with our stand.

Very truly yours,

Vincent Pallozzi

Subject: Referral No. 1759 - PETITION FOR CHANGE IN ZONING ALONG COMMON
AND HOLDEN STREETS

Gentlemen:

This referral, from the Committee on Ordinances, is a request for a zone change on Lots 680, 681, 711 and 755 in Assessor's Plat No. 68 near the intersections of Smith Street and Holden Street and Common Street and Holden Street. It petitions for a change from R-4 to C-4 on Lots 681 and 711 and portions of Lots 680 and 755.

Inspection revealed that the three contiguous lots are blacktopped and are being used for off-street parking for registered cars. Lot 711 is being used for storage of new cars by a new car dealer. The neighborhood is mixed commercial, institutional, and residential use and in fair condition.

Three of the lots in question are projected as GB (general business) in the proposed zoning plan. The fourth lot is sandwiched between two buildings particularly adapted to and in present use by an auto sales dealer. To retain this property as a residential zone would serve no useful purpose. Therefore,

The Commission

VOTED: To offer no objection to the granting of this petition.

Yours very truly,

Vincent Pallozzi
