Gloria Lincourt, Director of Purchasing
Providence City Hall
Providence, Rhode Island 02903

Dear Gloria:

Please be advised that James Shepherd has the necessary licenses to remove bee hives and wasps. It has been found in the past that it is less expensive to have Mr. Shepherd remove these nests on a single basis instead of on an overtime basis.

It is necessary that these nests be removed in the late evening to ensure the complete removal of the nests without injury to the operator and the citizens who complain.

Very truly yours,

LOUIS J. COLOMBO
