REPORTS FROM COMMITTEES

COUNCILMAN ROBERT M. CLARKIN, Chairman COMMITTEE ON PUBLIC WORKS

Transmits the following with recommendation the same by severally Approved:

Resolution to abandon a portion of Acorn Street.

Resolved, decreed and ordered:

That the following named highway shown as cross-hatched area on the accompanying plan entitled: "Providence, RI Department of Public Works — Engineering Office, Street Line Section Plan No. 06486 dated 30 December 1996.

viz:

A portion of Acorn Street, shown as cross-hatched area on accompanying plan and designated by the letters (A-B-C-D-A) having ceased to be useful to the public and is proposed to be abandoned as a Public Highway. Said Abandonment is specifically conditioned precedent upon the following:

(1) Petitioner shall tender to the City of Providence the amount of Five Thousand One Hundred Dollars (\$5,100.00) in legal tender U.S.

(2) The Petitioner shall convey an easement acceptable to the Narragansett Electric Company which will permit retention of its facilities in their existing location, together with the right to inspect, maintain, operate and replace the same with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need to be relocated in order to comply with an intended use, the petitioner shall assume all costs of relocation.

(3) The Petitioner shall convey an easement acceptable to Nynex which will permit retention of its facilities in their existing location, together

with the right to inspect, maintain, operate and replace the same with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need to be relocated in order to comply with an intended use, the petitioner shall assume all costs of relocation.

(4) The City of Providence retains for itself, through its Department of Public Works, an easement for full sewer purposes which will permit retention of its facilities in their existing location, together with the right to inspect, maintain, operate and replace the same with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need to be relocated in order to comply with an intended use, the petitioner shall assume all costs of relocation.

(5) The Petitioner acknowledges that the State of Rhode Island may make claim to some portion of the subject realty and shall reach accommodation of any such claim at its sole cost and expense.

(6) Petitioner shall, at its sole cost and expense tender to the Providence Water Supply Board all costs associated with "capping the main" and any other costs referred to in a communication dated 14 January 1997 from said Board to the City Council Committee on Public Works.

(7) Petitioner shall merge the parcel created hereunder with lots 434 and 442 and that any subsequent parking shall comply with Section 705 of the Zoning Ordinance, as it may be amended.

Ordered, That after the entry of this order or decree the City Clerk shall cause a notice thereof to be published in a newspaper, published in the County of Providence at least once a week for three successive weeks and a further and personal notice shall be served by the City Sergeant upon every owner of land abutting the above-named highway which has been abandoned, who is known to reside within the State.

Resolution to abandon a portion of Hebron Street and Gainer Street.

Resolved, decreed and ordered:

That the following named highway shown as cross-hatched area on the accompanying plan entitled: "Providence, RI Department of Public Works — Engineering Office, Street Line Section Plan No. 0064573 dated 9 April 1996.

viz:

A portion of Hebron and Gainer Streets, shown as cross-hatched area on accompanying plan and designated by the letters (A-B-C-D-E-A) having ceased to be useful to the public and is proposed to be abandoned as a Public Highway. Said Abandonment is specifically conditioned precedent upon the following:

(1) Petitioner shall tender to the City of Providence the amount of One Thousand One Hundred Forty Dollars (\$1,140.00) in legal tender U.S.

(2) The Petitioner shall convey an easement acceptable to the Providence Gas Company which will permit retention of its facilities in their existing location, together with the right to inspect, maintain, operate and replace the same with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need to be

relocated in order to comply with an intended use, the petitioner shall assume all costs of relocation.

Ordered, That after the entry of this order or decree the City Clerk shall cause a notice thereof to be published in a newspaper, published in the County of Providence at least once a week for three successive weeks and a further and personal notice shall be served by the City Sergeant upon every owner of land abutting the above-named highway which has been abandoned, who is known to reside within the State.

Resolution to abandon a triangular portion of land at the intersection of Broad Street and Hayward Street.

Resolved, decreed and ordered:

That the following named highway shown as cross-hatched area on the accompanying plan entitled: "Providence, RI Department of Public Works — Engineering Office, Street Line Section Plan No. 064584 dated 20 November 1996".

viz:

A portion of the pedestrian passageway in and at Broad Street and Hayward Street, shown as cross-hatched area on accompanying plan and designated by the letters (A-B-C-A) having ceased to be useful to the public and is proposed to be abandoned as a Public Highway. Said Abandonment is specifically conditioned precedent upon the following:

(1) Petitioner shall tender to the City of Providence the amount of Eight Hundred Fifty Two Dollars (\$852.00) in legal tender U.S.

(2) The Petitioner shall convey an easement acceptable to the Narragansett Electric Company which will permit retention of its facilities in their existing location, together with the right to

inspect, maintain, operate and replace the same with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need to be relocated in order to comply with an intended use, the petitioner shall assume all costs of relocation.

(3) The Petitioner shall convey an easement acceptable to the Providence Gas Company which will permit retention of its facilities in their existing location, together with the right to inspect, maintain, operate and replace the same with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need to be relocated in order to comply with an intended use, the petitioner shall assume all costs of relocation.

(4) The Petitioner shall convey an easement acceptable to the Providence Water Supply Board which will permit retention of its facilities in their existing location, together with the right to inspect, maintain, operate and replace the same with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need to be relocated in order to comply with an intended use, the petitioner shall assume all costs of relocation. And further, that any installation and construction of any play or playground equipment shall not interfere with the Providence Water Supply Board's facilities.

(5) The Petitioner shall, prior to the erection of any fence consult with the Broad Street/Main Street Committee.

Ordered, That after the entry of this order or decree the City Clerk shall cause a notice thereof to be published in a newspaper, published in the County of Providence at least once a week for three successive weeks and a further and personal notice shall be served by the City Sergeant upon every owner of land abutting the above-named highway which has been abandoned, who is known to reside within the State.

Resolution Requesting an easement within the public right-of-way on Manton Avenue, in the vicinity of the bridge crossing the Woonasquacket River.

It is hereby Resolved, That His Honor the Mayor, is authorized to grant a non-exclusive surface easement on Manton Avenue in the City of Providence to the Narragansett Bay Commission. Said easement shall be granted specifically upon the following conditions and within the following parameters:

1. Said easement shall be utilized only for the installation and maintenance of free standing enclosure containing an electric meter, flow meter and telephone. Said easement shall not exceed the area indicated on the accompanying maps attached and marked as Exhibits "A" (i.e. Department of Public Works Street Line Section Plan No. 064578 dated 17 May 1996.) and "B" and "C".

2. Said easement shall be deemed to run with the land and shall operate against any successors in title and the easement or a memorandum of same shall be recorded in the Office of Land Records for the City of Providence.

3. Said easement shall be subject to a right of reverter/right of reversion in the event that the situs of the easement is no longer utilized for the aforesated purposes. Additionally, it shall be for a term of not more than twenty (20) years.

4. Any breakout necessary for installation and/or repair or replacement shall be resurfaced/rehabilitated to the approval of the Director of the Department of Public Works.

5. Any installation of utilities or utility lines shall be underground so as to preserve the public right or way.

6. Any installation of electrical mechanism shall be to the approval of the Director of the Department of Inspection & Standards.

7. The Narragansett Bay Commission shall not construct or affix to the realty any temporary or permanent structure other than said enclosure, meters and telephone.

8. The Narragansett Bay Commission shall execute an indemnification and hold harmless agreement indemnifying the City of Providence, its agents, officers, servants and employees. Said agreement shall be approved by the Department of Law of the City of Providence.

9. The Narragansett Bay Commission shall supply the City of Providence with an insurance policy naming said City of Providence, its agents, officers, servants and employees as an additional-named insured in a sum of not less than one hundred thousand dollar (\$100,000.00), which policy shall be approved by the Department of Law of the City of Providence.

10. The easement granted hereunder shall be subordinate to any easements rights of way, etc. that currently exist.

11. The Petitioner shall undertake construction and installation so as to protect the integrity of existing uses by Nynex.

12. The Petitioner shall undertake construction and installation so as to protect the integrity of existing uses by Providence Gas Company.

13. The Petitioner shall at all times maintain minimum clearances from overhead wires as said requirements exist by relevant OSHA law.

14. Petitioner shall notify the City of Providence Department of Public Works, in writing, of the "as built" location of the enclosure.

15. Upon receipt by the City Clerk that the Providence Fire Department and the Providence Police Department have no objection to this grant.

16. Such other terms and conditions as may be reflected in the record and minutes of the City Council Committee on Public Works or which may

be deemed appropriate by the Department of Law of the City of Providence.

COMMITTEE ON PUBLIC WORKS
and
COUNCILMAN KEVIN JACKSON, Chairman
COMMITTEE ON CITY PROPERTY**

Jointly transmit the following with recommendation the same be Approved:

Resolution Granting an easement to Rhode Island School of Design to run computer cables from its building at 160 Benefit Street to 173 Benefit Street; said easement to cross Benefit Street and Meeting Street to upgrade the computer networking.

It is hereby Resolved, That His Honor, the Mayor, is authorized to grant a non-exclusive sub-surface easement below Meeting Street and Benefit Streets in the City of Providence to Rhode Island School of Design. Said easement shall be granted specifically upon the following conditions and within the following provisions:

1. Said easement shall be utilized only for the installation and maintenance of duct bank containing fiber optic cable. Said easement shall not exceed the area indicated by the cross-hatched area on the accompanying maps marked as Exhibits A and B respectively.

2. Said easement shall be deemed to run with the land and shall operate against any successors in title and the easement or a memorandum of same shall be recorded in the Office of Land Records for the City of Providence.

3. Said easement shall be subject to a right of reverter/right of reversion in the event that

the situs of the easement is no longer utilized for the aforesated purposes. Additionally, it shall be for a term of not more than twenty (20) years.

4. Any breakout necessary for installation and/or repair or replacement shall be resurfaced/rehabilitated to the approval of the Director of the Department of Public Works.

5. Any installation of utilities or utility lines shall be underground so as to preserve the public right of way.

6. Any installation of electrical mechanism shall be to the approval of the Director of the Department of Inspections & Standards.

7. The Petitioners shall convey an easement acceptable to the Providence Gas Company which will permit retention of its facilities in their existing location, together with the right to inspect, maintain, operate and replace the same with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need to be relocated in order to comply with an intended use, the petitioner shall assume all costs of relocation.

8. The Petitioner shall convey an easement acceptable to the Narragansett Electric Company

which will permit retention of its facilities in their existing location, together with the right to inspect, maintain, operate and replace the same with twenty-four hour access to said facilities, or in the alternative should it be determined by the petitioner that any such facilities need to be relocated in order to comply with an intended use, the petitioner shall assume all costs of relocation.

9. Rhode Island School of Design shall tender any prospective applicable street excavation fees and underground utilities, as the same is evidenced in statements before the City Council Committees on Public Works and Property and in correspondence dated 1 May 1997 from Associate Vice President Gast.

10. Any construction/installation shall not interfere with existing utilities and facilities.

11. Petitioners shall ascertain that there exists no adverse impact on any local utility company and certification of the same shall be forwarded by mail to the City Clerk.

12. Rhode Island School of Design shall execute an indemnification and hold-harmless agreement. Said agreement shall be approved by the Department of Law of the City of Providence.

13. Rhode Island School of Design shall supply the City of Providence with an insurance policy naming the City of Providence, its agents, officers, servants and employees as additional-named insureds in a sum not less than one

hundred thousand dollars (\$100,000.00), which policy shall be approved by the Department of Law of the City of Providence.

14. Grantees shall not lay, construct or affix to the realty any temporary or permanent structure other than that described earlier herein.

15. Such other terms and conditions as may be reflected in the record and minutes of the City Council Committee on Public Property and/or as may be deemed appropriate by the Department of Law of the City of Providence.
