SUBJECT: Referral No. 1331 - ZONING CHANGE AT 1686-1700 WESTMINSTER STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, June 18, 1963.

This referral is a request to change from an R-4 Zone and a C-4 Zone to an M-1 Zone Lots 222 and 223 on Assessor's Plat 35 said lots being situated on the southerly side of Westminster Street and designated as 1686-1700 Westminster Street. The area in question contains 12,000 square feet of land area.

An inspection and photographic survey determined the lots contained five frame dwellings (one, 2-story, one, two and one-half story, two, three-story, and one, four-story) with commercial uses on the first floor of the two facing the street.

Pending the development of the Community Renewal Program and the revision of the City's Master Plan for Land Use, both of which are nearing completion,

The Commission

VOTED: To recommend that this petition for spot zoning be denied.

Very truly yours,
