Mrs. Carolyn F. Brassil  
City Council  
Providence, RI 02903

Dear Mrs. Brassil:

Thank you for taking the time to let me show you the progress of our building rehabilitation in the Eddy Street and Richmond Street area.

The lights which immediately surround our two buildings are as follows:

Richmond Street - #8, 9 and 10  
Ship Street - #1 and 2  
Eddy Street - #14, 15, 16 and 17

The adjacent lights that also would strongly help are:

Richmond Street - #6 and 7  
Ship Street - #3  
Eddy Street - #13, 18 and 19  
Dyer Street - #Y6 and Y7

Conversion of these poles to sodium vapor lights would substantially improve this area and, in my opinion, would be very much in the interest of the City.

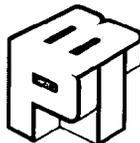

Thank you for your help.

Sincerely,

James R. Winoker
