Department of City Clerk

MEMORANDUM

DATE: May 19, 1977

TO: Director Kelly - Mayor's Office of Community Development

SUBJECT: CONGRESS AVENUE LOTS

CONSIDERED BY: City Clerk, Vincent Vespia

DISPOSITION: Attached is copy of Resolution No. 603, approved November 27, 1976, relative to establishing a Tot Lot on those Lots recommended for acquisition as incorporated in the said Resolution.

The distribution of the subject Resolution on November 30, 1976, was as follows: City Solicitor; City Assessor; Finance Director; City Controller; City Collector; Director of Public Works; Engineering Department, (R. Quigley and Samuel H. Wilk).

It is my opinion that the subject Resolution, while recommending the acceptance is silent on the acquisition, thereof and appears to require a further step in authorizing the purchase of the subject Lots, nowhere in that Resolution is the City Clerk required to pursue it. Accordingly, I suggest you confer with the Acting City Solicitor if the establishment of the Tot Lot is within your jurisdiction.

~~Regarding the non-related communications received in~~
this Department May 17, 1977, concerning the acceptance
of certain properties at O'Connor and Broom Streets and
Jillson and O'Connor Streets, at this point, Councilman
Johnson, to whom the communications were addressed, did
not communicate with me that I might be informed of the
subject matters that are pending. Immediately upon this
communication with me, I will inform you of our dialogue
on those matters.
