# RESOLUTION OF THE CITY COUNCIL

No. 266

Approved May 13, 1981

RESOLUTION AUTHORIZING THE PROVIDENCE OFFICE OF ECONOMIC DEVELOPMENT ON BEHALF OF THE CITY OF PROVIDENCE TO PREPARE AND SUBMIT AN APPLICATION FOR FIFTH YEAR ACTIVITIES UNDER SECTION 302(a) OF THE PUBLIC WORKS AND ECONOMIC DEVELOPMENT ACT AS AMENDED IN 1974

WHEREAS, Section 302(a) of the Public Works and Economic Development Act of 1965, as amended, authorized the Economic Development Administration of the U.S. Department of Commerce to make planning grants to cities to strengthen city economic development planning efforts; and

WHEREAS, the City of Providence deems it necessary and in the public interest (1) to develop a systematic approach to analyze the local economic conditions; (2) to define development goals; (3) to determine project opportunities; and (4) to formulate economic development strategies and implement development programs; and

WHEREAS, the City Council of the City of Providence has by Resolution No. 46, approved on January 28, 1977, by Resolution No. 143, approved on March 17, 1978, by Resolution No. 154, approved on February 22, 1979, and by Resolution No. 176, approved on April 13, 1980, authorized the filing of previous years' programs, respectively; and

WHEREAS, the City of Providence desires to continue said program for a fifth year; and

WHEREAS, said Section 302(a) of the Public Works and Economic Development Act of 1965, as amended, provides for 75 per centum of the estimated cost of such activities or undertakings; and

WHEREAS, the City of Providence, in order to obtain said Economic Development Planning Grant, must assume the local share which is 25 per centum of the total estimated cost not exceeding \$160,000 to be met by contractual and in-kind services from the Mayor's Office of Community Development and the Providence Office of Economic Development.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Providence as follows:

1. It is hereby found necessary and in the public interest to make an application to the Economic Development Administration for an Economic Development Planning Grant under Section 302(a) of the Public Works and Economic Development Act of 1965, as amended (P.L. 89-136) for the aforementioned program.

2. The Providence Office of Economic Development is hereby authorized and designated as the representative of the City for the filing of an application with the Economic Development Administration, to prepare all requisitions and documents necessary for the receipt of funds from said Economic Development Administration, to execute grant contract with Economic Development Administration, and to do all work necessary to carry out the terms of any contract between the City and the Economic Development Administration arising out of said application for an Economic Development Planning Grant.

3. That United States of America and the Economic Development Administration be, and they hereby are assured to full compliance by the City of Providence with all regulations of the United States Government effectuating the receipt of Federal grants under the Public Works and Economic Development Act of 1965, as amended.

Ms. Rose Mendonca  
City Clerk  
City Hall  
Providence, Rhode Island 02903

Dear Ms. Mendonca:

I am enclosing a resolution for submission to the City Council which will authorize the Office of Economic Development to reapply for Federal funds for economic planning and program development.

The application will be for an Economic Development Administration 302(a) Economic Planning Grant. This program provides local government with funds for the preparation of economic development strategies and programs. For the past four years, we have been successful in obtaining funds under this program, and the resulting benefits have been for both commercial and industrial areas where revitalization strategies have been implemented. We are currently working in many neighborhood and industrial districts, and the continuation of the EDA program is critical to our work in those areas.

I would appreciate the expeditious presentation of this resolution to the City Council for approval.

Sincerely,

A large, stylized handwritten signature in black ink, likely belonging to Richard R. Torchia, is written over the word "Sincerely," and extends below it.

44 (b).

The purpose of the Community Development Block Grant program is to plan and implement a program of physical development, historic restoration/preservation, parks development, neighborhood facility construction and associated social programming in low and moderate income areas of the City of Providence.

44 (c).

During the past 6 years, the Mayor's Office of Community Development has provided (1) low interest loans and grants for home improvements; (2) community center construction; (3) historic preservation activities; (4) parks and open spaces renovation; (5) social programming; and (6) neighborhood specific and city-wide economic retention and development activities.

In this 7th Year Application, these program areas will again function in 6 Neighborhood Strategy Areas, 7 Secondary Development Areas and where necessary on a city-wide basis.

44 (e).

The Community Development Block Grant program benefits those residents of Providence who are of low and moderate income. All age groups benefit from CDBG programs, from day care and after school day care to senior citizens programs. The NSA's are the areas of primary concentration with the secondary development neighborhood receiving less concentrated programs of physical development.

(g).

Other agencies involved in the project include:

- Department of Planning and Urban Development
- Providence Community Action Program
- Office of Economic Development
- Providence Industrial Development Council
- New Homes for Federal Hill
- Stop Wasting Abandoned Property

Various subgrantee agencies administer each of the Social Programming components of the CDBG programs.

## INTRODUCTION

## INTRODUCTION

In this our seventh year of funding for Community Development, the City of Providence (R.I.) will continue to emphasize rehabilitation, restoration, and preservation of its neighborhoods. Among the activities funded are: Housing Rehabilitation; Parks, Playgrounds and Recreational Centers; Street Improvements; Neighborhood Facilities; Historic Preservation; Public Services and Economic Development.

In the past, and again this year, Housing Rehabilitation will comprise the greatest share of Providence's allocation. This is necessary to address conditions that exist in a city of this size and age. Housing Rehabilitation will be accomplished through four programs: Home Improvements for Providence, Elderly and Handicapped Paint Program, Historic Home Preservation, and the Stop Wasting Abandoned Property Program. Each program, in its own way, makes a significant contribution to the total revitalization effort.

It is our belief that by addressing the total needs of a neighborhood and not concentrating on one type of activity, we will restore not only the physical appearance of our neighborhoods, but also pride in one's living area.

Through the cooperative efforts of the citizens, local and Federal governments, Providence is well on its way toward reclaiming its position as a great city.

<b>10. DESCRIPTION OF PROJECT</b> The revitalization of the Elmwood NSA as outlined in this project description will meet certain criteria for neighborhood renovation in this third year of the next three year Community Development cycle. The Elmwood neighborhood was initially designated as a Neighborhood Strategy Area through the NSA-Special Procedures program for Section 8 Housing Subsidy set-aside. The Elmwood neighborhood had functioning with it many forces which made its choice as an NSA especially appropriate. The Elmwood neighborhood is not severely deteriorated. There is a substantial need for rehabilitation, however, this need is far from overwhelming. Elmwood has, as an urban neighborhood, shown real progress within the last few years, in part because of the impact of Community Development dollars & in part because of the significant commitments of private sector dollars to neighborhood revitalization. <input checked="" type="checkbox"/> Check if continued on additional page(s) and attach.

10) DESCRIPTION OF PROJECT

The NSA program will also require the city to provide a concentrated level of public (city) services to support both the Section 8 development and the Community Development improvements over past and proposed funding cycles. These services will for the most part, be provided through a concentration of on-going public services provided by the City of Providence. City agencies and the services that they provide will all be used to support the overall development and revitalization of the Elmwood neighborhood. In succeeding years, some projects which cannot be adequately funded through city resources will be allocated funds through the Community Development program. The 7th year total allocation for the Elmwood NSA is \$420,375. The allocation is broken down as follows: Housing, \$115,875; Street Improvements, \$60,000; Public Services, \$119,000; Neighborhood Facilities, \$56,000; Historical Preservation, \$69,500.

The housing needs of the Elmwood NSA will be met by several separate but related programs. The Office of Community Development will provide grants or loans totaling \$115,875 for the rehabilitation of homes in need of repairs. The Home Improvements for Providence program will provide \$62,875 to low and moderate income homeowners to bring substandard properties up to City Code Enforcement standards. The Elmwood Foundation Burglar Alarm program will assist homeowners in purchasing security system at a low cost. This program is funded in the amount of \$13,000. The Stop Wasting Abandoned Property (SWAP) will be allocated \$35,000 to rehabilitate previously abandoned property through a grant incentive program. Also SWAP will receive \$5,000 for boarding up presently abandoned houses.

The Office of Community Development will also provide \$40,000 for Historic Preservation of homes in the form of matching grants. The Elmwood Foundation will be funded in the amount of \$29,500 for the Historic Preservation of the Grace Church Cemetery Building and Grounds.

The Elmwood neighborhood has been allocated \$56,000 for the completion of a neighborhood community center. Sixty Thousand Dollars (\$60,000) has been set-aside for Street Improvements for the Elmwood neighborhood. Public Services will be funded for a total of \$119,000 and involves four programs: (1) Elmwood Youth - a program of activities for youth, \$50,000; (2) Intake/Outreach Program, \$37,000; (3) Senior Citizens - a program for seniors \$28,000; (4) Senior Citizens Transportation - to provide transportation for the elderly of the Elmwood NSA, \$4,000.

12) ANTICIPATED ACCOMPLISHMENTS

Elmwood Foundation Administrative Proposal - provide funds for staff salaries and operating expenses. Staff will provide assistance and leadership to numerous organizations and community projects in the field of Historic Preservation and neighborhood security.

Grace Church Cemetery Project - provide funds to begin restoration of an historic building that is in desperate need of repair. End result will be the restoration of a major historical landmark, and a functional use for the building as an office.

Elmwood Neighborhood Services - provide funds for 25,000 square feet of sidewalk repair and replacement. Included in this work will be the planting of new trees and trimming of existing trees where necessary in the same area as the sidewalk replacement or repair. The Preservation and Rehabilitation of 5 historic homes by 6/82.

12) ANTICIPATED ACCOMPLISHMENTS

Intake Outreach Program - provide referral element counselling to assist residents of all ages in obtaining human service consultation.

Youth Program - provide recreational and educational activities for the needy young people of the NSA.

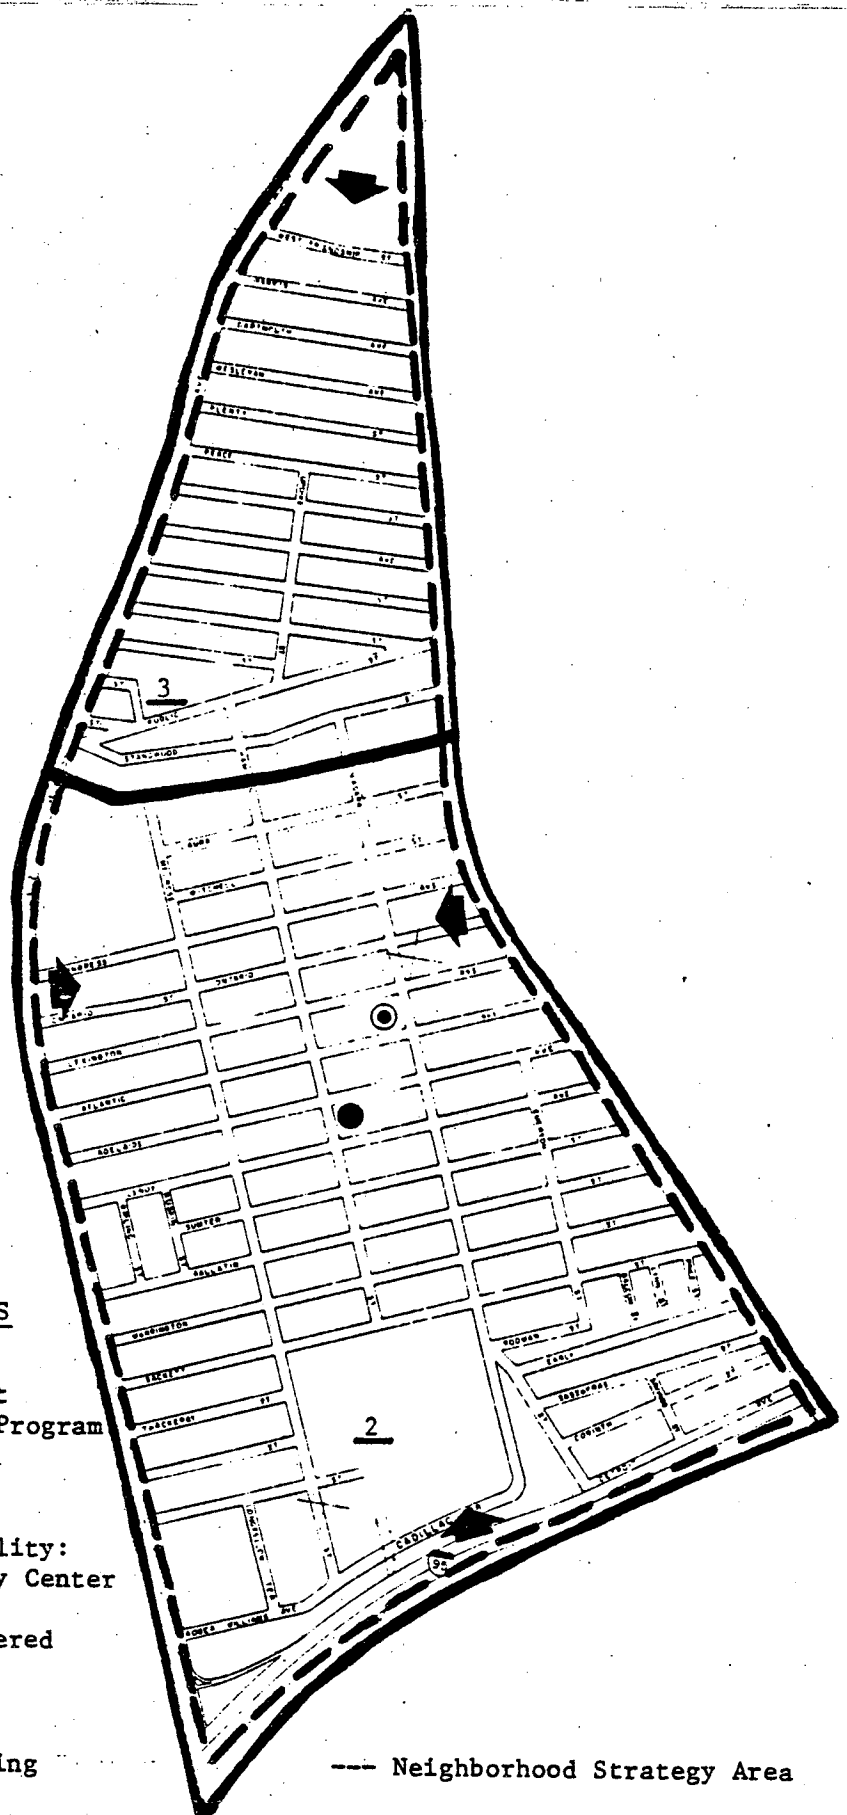

Senior Citizens - provide social, general, and informal recreational activities, field trips, crafts programs, health services, and other senior related activities for 125 seniors.

Senior Citizens Transportation - provide transportation to the elderly of the neighborhood for doctor visits, shopping, meal sites, and other types of services.

Elmwood Community Center - funds to provide for necessary rehabilitation of the center.

properties up to City Minimum Housing Code Enforcement standards. The Paint Program will be allocated \$6,000 for painting the exterior of homes within the Smith Hill NSA.

(The Storefront Improvement Program has an allocation of \$44,000 to provide low-interest loans to storeowners.)

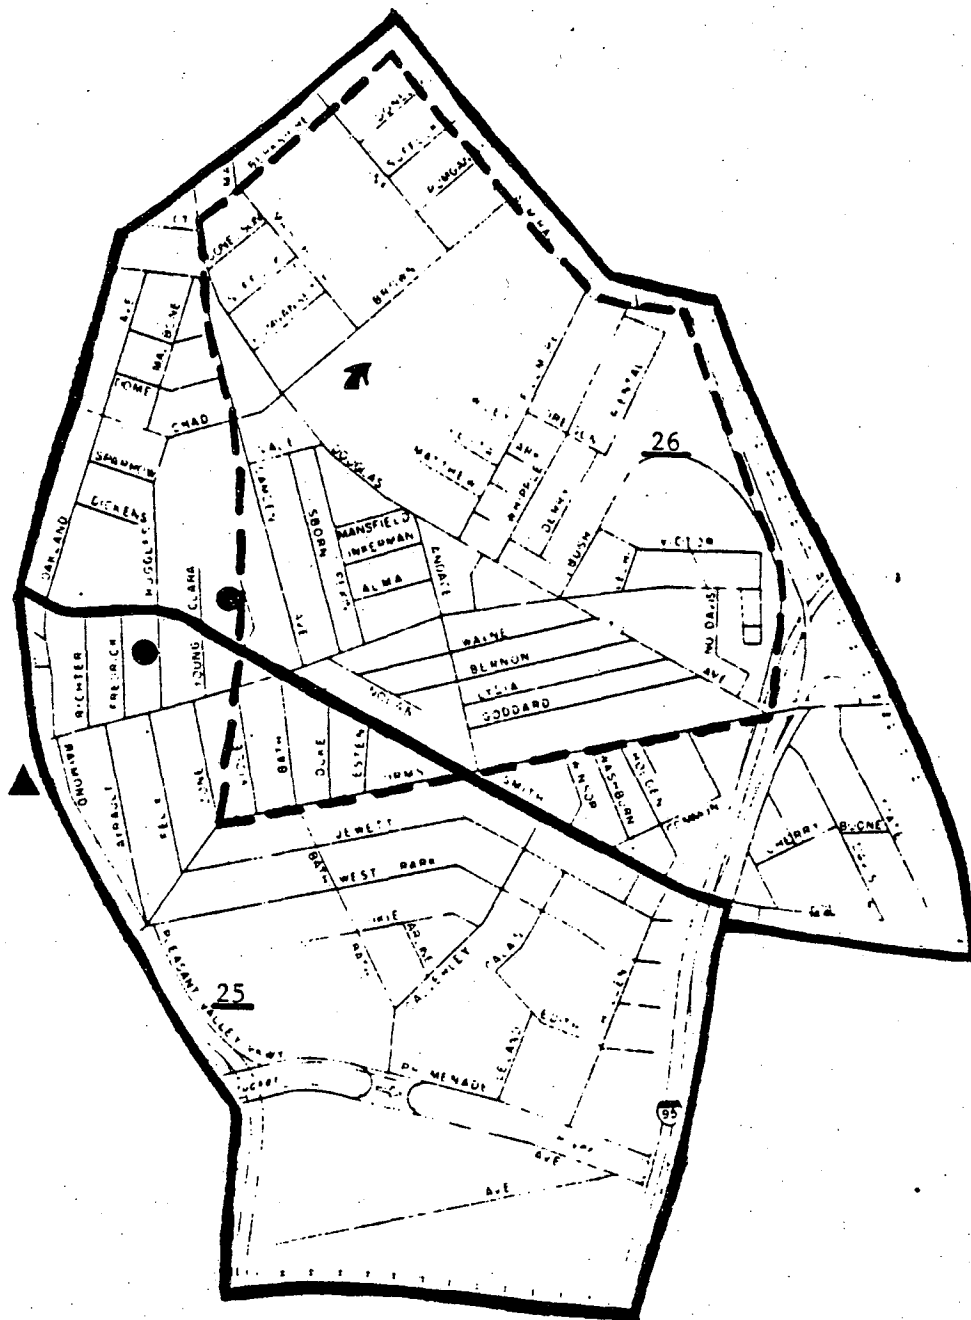

The Community Facilities budget will utilize \$150,000 for the completion of the Danforth Recreation Center renovation which will house a day care center and other recreational and community spaces. Other amounts have been allocated in past years and this amount will nearly complete this project.

The various components of this project addresses the primary physical development needs of the Smith Hill NSA. The NSA contains the commercial hub as well as the most deteriorated housing stock within the neighborhood. We believe that the dollars allocated and the specific project components will make a serious impact in the next year toward the revitalization of the Smith Hill neighborhood.

Public Services will be funded for a total of \$204,254 and involves

10. DESCRIPTION OF PROJECT The Hartford Neighborhood Project, though not designated as a Neighborhood Strategy Area, will provide for the continuation of ongoing Community Development activities designed to meet the needs of the community as perceived by Hartford residents and the Community Development Planning Staff. The Hartford neighborhood, adjacent to Olneyville neighborhood is considered by some Hartford residents as part of the Olneyville community. The Hartford neighborhood is a relatively stable community dominated in part by the steady deterioration of its public housing project. The continuation of revitalization activities in the Hartford area will help maintain a stable environment by providing incentives to homeowners and prospective homeowners to rehabilitate the housing stock, by providing essential public services to residents of the community & by providing site improvements throughout the area.

10) DESCRIPTION OF PROJECT

Housing needs will be addressed by three programs: (1) The Housing Improvement Program, \$80,000, is a centrally located program operated by the Mayor's Office of Community Development. It provides low interest loans or grants to qualified residents who meet eligibility requirements; (2) the Paint Program (\$5,000) is a service which is offered to qualified applicants who are in need of exterior painting for their homes to meet code standards; and (3) the Storefront Improvements Program (\$21,697) offers low interest loans to neighborhood-based storeowners who want to renovate the facades of their buildings.

Existing Social Programs or Public Services will continue to be funded at a dollar amount which will maintain the amount and quality of services being provided. There are five Public Service programs operating in the Washington Park neighborhood, with total funding in amount of \$134,984: (1) Washington Park Intake/Outreach (\$24,684) to publicize the community center's services and provide counseling and referral; (2) senior Citizens Program (\$55,000) to provide recreation, arts and crafts, health services, consumer education and community events for neighborhood seniors; (3) Youth Program (\$36,300) to operate daily recreation and vocational courses for children ages 12-15 and play school for ages 3-5; (4) Senior Citizens Transportation (\$4,000) to provide its share of the costs of a city-wide senior transportation program; and (5) Child Learning Center (\$15,000) to develop reading skills and increase library materials to children. This program will be operated at the Washington Park Branch Library which is adjacent to the Community Center. The project will also involve using Community Development funds for the completion of an expansion to the Washington Park Community Center and the construction of a passive recreation site. The Community Center carries a budget amount of \$45,000 and the proposed park a \$60,000 budget.

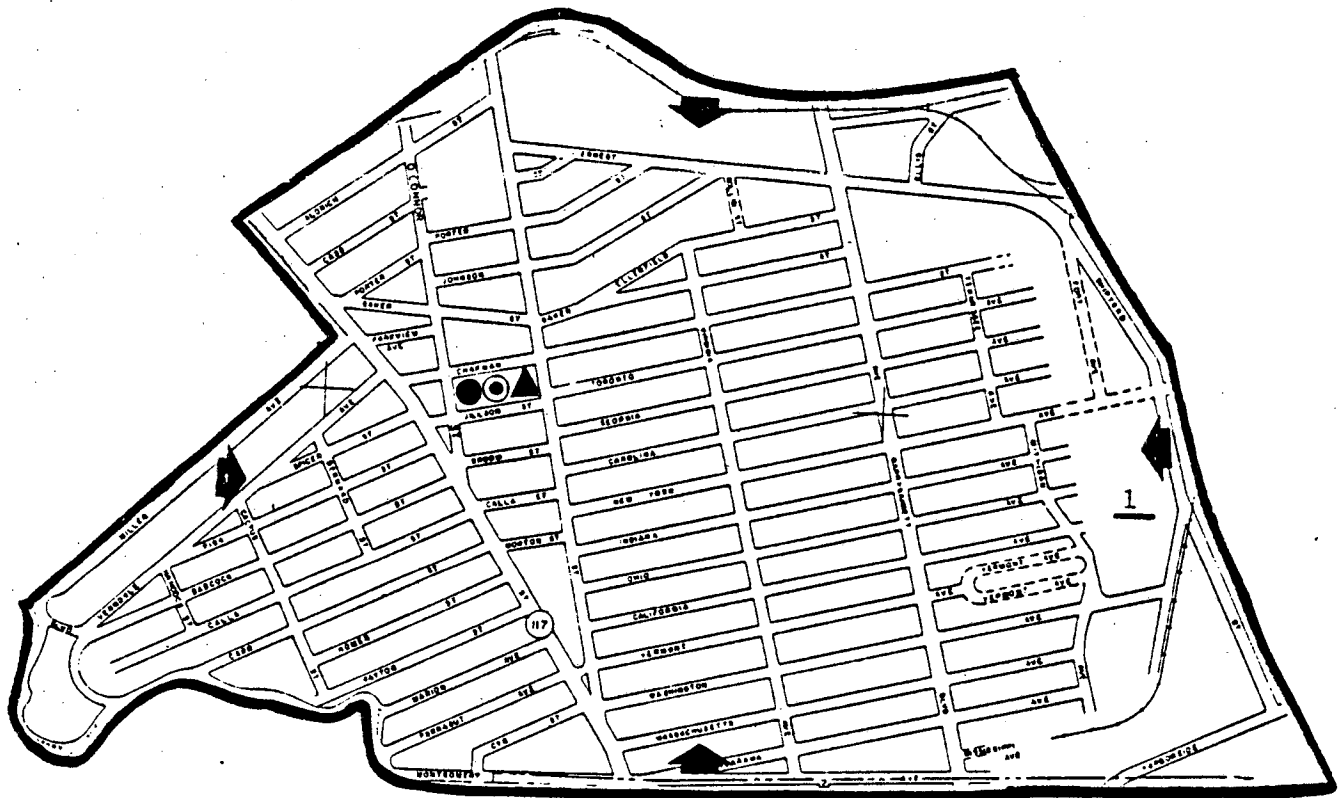

12) ANTICIPATED ACCOMPLISHMENTS

SENIOR CITIZEN PROGRAM - provide recreation, health services, arts and crafts, consumer education services to approximately 275-325 senior citizens.

CHILD LEARNING CENTER - provide services to increase reading skills to 175-225 children.

INTAKE/OUTREACH PROGRAM - provide counseling and referral services, and develop interagency coordination for 275-325 people of all ages.

SENIOR CITIZENS TRANSPORTATION - provide transportation to (share of cost) various events and places for 525-625 seniors.

<b>10. DESCRIPTION OF PROJECT</b> <p>This project continues the rehabilitation of private residential properties on a scattered site basis throughout the areas of the City of Providence which are not NSA's or secondary development neighborhoods. The neighborhood specific allocation process has left substantial portions of the City with no resources for housing rehabilitation or for the elderly and handicapped paint program. There are, however, a large number of CDBG eligible households in these areas and which require assistance for home rehabilitation. The allocation of \$417,000 for housing rehabilitation in the "Balance of City" areas will provide rehabilitation resources in the balance of the six NSA neighborhoods as well as Reservoir, Mt. 10) Description of Project

Some of the areas mentioned above, do not qualify for programs of concentrated physical development, yet contain significant percentages of low and moderate income households, for example, Reservoir (43.3%). In addition, the balance of the NSA neighborhoods, South Providence, West End, Olneyville and Smith Hill have a very significant number of low income households. It is very important that the destabilizing influences do not spread throughout currently stable neighborhoods and also that the concentrated programs of rehabilitation in the NSA's are not undermined in pockets of deterioration outside the NSA boundaries.

10. DESCRIPTION OF PROJECT Downtown Providence Improvement Association is a private, non-profit organization formed and funded by the merchants and business community for the express goal of improving the quality of public space design and to prevent the deterioration of publicly financed improvements such as Cathedral Square and Westminster Mall, in the central business district. Existing ordinances within the central business district mandate the responsibility of the property owners to remove building generated trash and maintain sidewalks. To enable property owners to carry out this responsibility in an efficient manner, DPIA has raised funds from the business community and has hired a private maintenance contractor to wash and sweep sidewalks. DPIA is also embarking on an extensive communication and code enforcement program designed to improve the appearance of Providence. <input checked="" type="checkbox"/> Check if continued on additional page(s) and attach.

10) DESCRIPTION OF PROJECT

Besides the clean up and code enforcement is the need to provide adequate litter receptacles. Another need involves purchasing trees, shrubbery and flowers for the area.

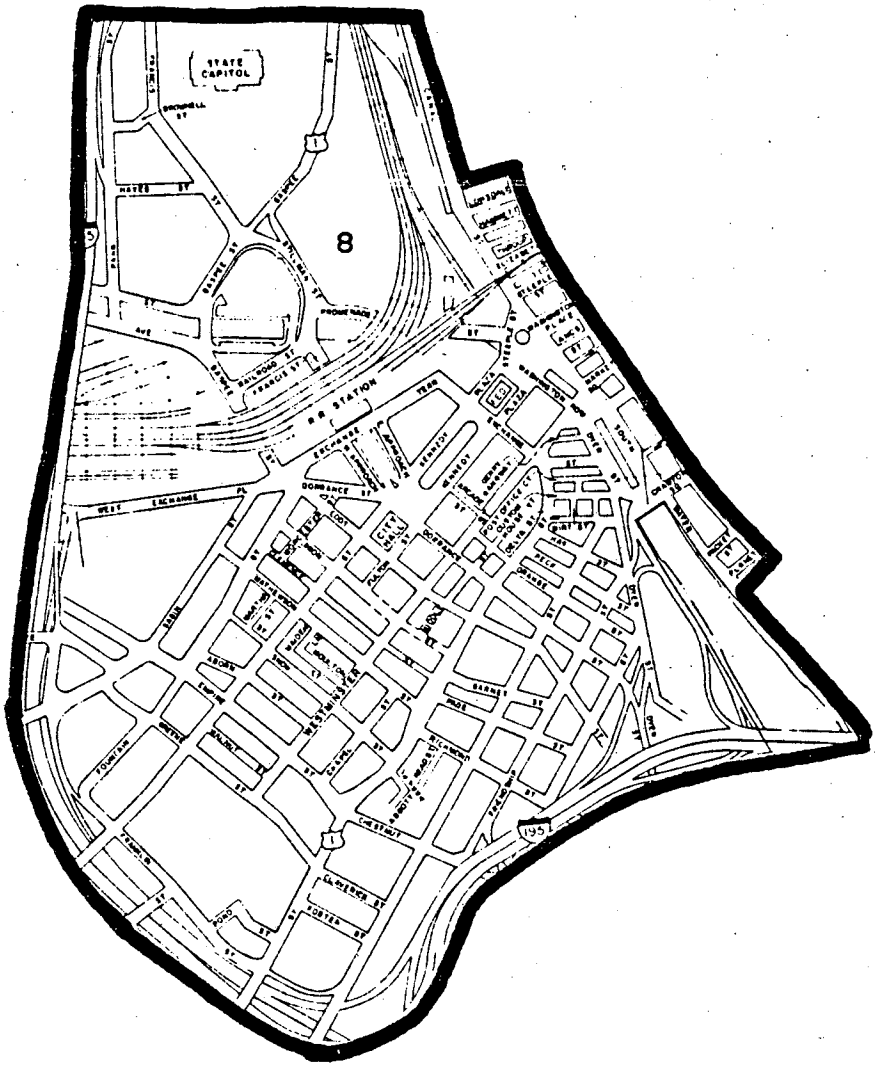

Inadequate and inappropriate waste receptacle placement creates litter and is a strain on our tax dollar and public works budget. Planning and field experiments are necessary to find a receptacle that works and can be emptied.

It has been projected that trash container purchase and installation will cost approximately \$8,000. In addition, DPIA is requesting some \$7,000 to plan the means whereby the city and private property owners will fulfill streets, flush out sewers, maintain planters, etc.

DPIA is working to improve the quality of the visual environment downtown so that people from the city neighborhoods will feel pride in their downtown and therefore shop there, that stores will be willing to locate there to provide the goods and services for city residents, many of them poor and elderly who use RIPTA to come downtown to shop at the only retail area they can get to by mass transit--downtown.

The \$107,000 raised by DPIA will be utilized for operating expenses, initial and continuous cleanup of the sidewalks, the emptying and maintenance of the trash receptacles and the maintenance of the planting areas.

<b>10. DESCRIPTION OF PROJECT</b> Blackstone Park is located along the eastern edge of the City of Providence. It is situated along the Seekonk River where sailboat races and Intercollegiate crew races are held during the summer months. River Road winds along the perimeter of the park and is well utilized by people who sit in their cars and observe the view while eating their lunch. Unfortunately many of these people throw their papers out of their car windows, causing a considerable littering problem. Adjacent to the park is York Pond where neighborhood residents have been able to ice skate since the pond has been dredged and cleaned up with the use of Community Development funding. The park is well under utilized because of the lack of amenities in the area and these tables and trash cans will allow a greater usage & neater appearance of the park. 10. DESCRIPTION OF PROJECT The City of Providence in this 7th year continues its support of the development of Roger Williams Park. The Park is a major recreation resource for the City of Providence. There has been significant progress made to make the Park a cultural educational and recreational focal point for the entire city. In spite of this, there is still a great deal of work that needs to be done. For the 7th Year of the Community Development Block Grant program total funding of \$525,697 is anticipated. This amount will be used to begin the cleanup of the Park lakes (\$195,000), the cleanup will utilize cost effective methods. The African Veldt exhibit will be reconstructed consistent with other natural environments recently built at the zoo. The exhibit will be funded with \$300,000 from Community Development. HOUSING ASSISTANCE PLAN

## HOUSING ASSISTANCE PLAN

### 3RD. INCREMENTAL YEAR SUBMISSION

#### NARRATIVE

The Housing Assistance Plan as submitted in the 7th Year Community Development Block Grant application reflects certain changes which have occurred both locally and nationally and which affect the gamut of assisted housing programs. The Housing Assistance Plan again reflects the interest of the City of Providence in substantially more existing and moderate rehabilitation units while also being aware of the need for some new construction and substantial rehabilitation activity.

A reviewer will note that somewhat smaller goals are noted in the categories of Community Development funded rehabilitation programs (Home Improvements Program). This is as a result of program reorganizations which are now completed but which have curtailed operation of the program for several months this program year. The reorganization will result in a larger amount of money being spent in assisted property but with a correspondingly higher level of rehabilitation accomplished. We believe that these new program guidelines will result in a better program and more realistic progress towards the achievement of our Housing Assistance Plan goals.

U.S. Department of Housing and Urban Development

Community Development Block Grant  
Entitlement Grants Program  
Assurances

The applicant hereby assures and certifies that:

(a) It possesses legal authority to apply for the grant, and to execute the proposed program.

(b) Its governing body has duly adopted or passed as an official act a resolution, motion or similar action authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required.

(c) It has complied with all the requirements of OMB Circular No. A-95 as modified by 24 CFR 570.310 and that either:

(1) Any comments and recommendations made by or through clearinghouses are attached and have been considered prior to submission of the application; or

(2) The required procedures have been followed and no comments or recommendations have been received.

(d) Prior to submission of its application, the applicant has:

(1) Prepared a written citizen participation plan, which:

(i) Provides an opportunity for citizens to participate in the development of the application, encourages the submission of views and proposals, particularly by residents of blighted neighborhoods and citizens of low- and moderate-income, provides for timely responses to the proposals submitted, and schedules hearings at times and locations which permit broad participation;

(ii) Provides citizens with adequate information concerning the amount of funds available for proposed community development and housing activities, the range of activities that may be undertaken, and other important program requirements;

(iii) Provides for public hearings to obtain the views of citizens on community development and housing needs; and

(iv) Provides citizens with an opportunity to submit comments concerning the community development performance of the applicant.

(2) Followed this plan in a manner to achieve full participation of citizens in development of the application. The applicant shall also follow this plan to achieve full citizen participation in all other stages of the program.

(e) Its chief executive officer or other officer of applicant approved by HUD:

(1) Consents to assume the status of a responsible Federal official under the National Environmental Policy Act of 1969 insofar as the provisions of such Act apply to 24 CFR 570;

(2) Is authorized and consents on behalf of the applicant and himself to accept the jurisdiction of the Federal courts for the purpose of enforcement of his responsibilities as such an official.

(f) The Community Development Program has been developed so as to give maximum feasible priority to activities which will benefit low- and moderate-income families or aid in the prevention or elimination of slums or blight.

(The requirement for this certification will not preclude the Secretary from approving an application where the applicant certifies, and the Secretary determines, that all or part of the Community Development Program activities are designed to meet other community development needs having a particular urgency as specifically explained in the application in accordance with §570.302(f).)

(g) It will comply with the regulations, policies, guidelines and requirements of OMB Circular No. A-102, Revised, and Federal Management Circular 74-4 as they relate to the application, acceptance, and use of Federal funds under 24 CFR 570.

(h) It will administer and enforce the labor standards requirements set forth in 24 CFR 570.605 and HUD regulations issued to implement such requirements.

(i) It will comply with all requirements imposed by HUD concerning special requirements of law, program requirements, and other administrative requirements, approved in accordance with OMB Circular No. A-102, Revised.

(j) It will comply with the provisions of Executive Order 11296, relating to evaluation of flood hazards and Executive Order 11288 relating to the prevention, control, and abatement of water pollution.

(k) It will require every building or facility (other than a privately owned residential structure) designed, constructed, or altered with funds provided under 24 CFR 570 to comply with the "American Standard Specifications for Making Buildings and Facilities Accessible to, and Usable by, the Physically Handicapped," Number A-117.1-R 1971, subject to the exceptions contained in 41 CFR 101-19.604. The applicant will be responsible for conducting inspections to insure compliance with these specifications by the contractor.

(1) It will comply with:

(1) Title VI of the Civil Rights Act of 1964 (Pub. L. 88-352), and the regulations issued pursuant thereto (24 CFR Part 1), which provides that no person in the United States shall on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance and will immediately take any measures necessary to effectuate this assurance. If any real property or structure thereon is provided or improved with the aid of Federal financial assistance extended to the applicant, this assurance shall obligate the applicant, or in the case of any transfer of such property, any transferee, for the period during which the real property or structure is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits.

(2) Title VIII of the Civil Rights Act of 1968 (Pub. L. 90-284), as amended, administering all programs and activities relating to housing and community development in a manner to affirmatively further fair housing; and will take action to affirmatively further fair housing in the sale or rental of housing, the financing of housing, and the provision of brokerage services.

(3) Section 109 of the Housing and Community Development Act of 1974, and the regulations issued pursuant thereto (24 CFR Part 570.601), which provides that no person in the United States shall, on the grounds of race, color, national origin, or sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under, any program or activity funded in whole or in part with funds provided under 24 CFR 570.

(4) Executive Order 11063 on equal opportunity in housing and nondiscrimination in the sale or rental of housing built with Federal assistance.

(5) Executive Order 11246, and the regulations issued pursuant thereto (24 CFR Part 130 and 41 CFR Chapter 60), and Section 4(b) of the Grant Agreement, which provides that no person shall be discriminated against on the basis of race, color, religion, sex or national origin in all phases of employment during the performance of Federal or federally assisted construction contracts. Contractors and subcontractors on Federal and federally assisted construction contracts shall take affirmative action to insure fair treatment in employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination, rates of pay or other forms of compensation and selection for training and apprenticeship.

(m) It will comply with Section 3 of the Housing and Urban Development Act of 1968, as amended, requiring that to the greatest extent feasible opportunities for training and employment be given to lower-income residents of the project area and contracts for work in connection with the project be awarded to eligible business concerns which are located in, or owned in substantial part by, persons residing in the area of the project.

(n) It will:

(1) To the greatest extent practicable under State law, comply with Sections 301 and 302 of Title III (Uniform Real Property Acquisition Policy) of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and will comply with Sections 303 and 304 of Title III, and HUD implementing instructions at 24 CFR Part 42; and

(2) Inform affected persons of their rights and of the acquisition policies and procedures set forth in the regulations at 24 CFR Part 42 and §570.602(b).

(o) It will:

(1) Comply with Title II (Uniform Relocation Assistance) of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 and HUD implementing regulations at 24 CFR Part 42 and §570.602(a);

(2) Provide relocation payments and offer relocation assistance as described in Section 205 of the Uniform Relocation Assistance Act to all persons displaced as a result of acquisition of real property for an activity assisted under the Community Development Block Grant program. Such payments and assistance shall be provided in a fair and consistent and equitable manner that insures that the relocation process does not result in different or separate treatment of such persons on account of race, color, religion, national origin, sex, or source of income;

(3) Assure that, within a reasonable period of time prior to displacement, comparable decent, safe and sanitary replacement dwellings will be available to all displaced families and individuals and that the range of choices available to such persons will not vary on account of their race, color, religion, national origin, sex, or source of income; and

(4) Inform affected persons of the relocation assistance, policies and procedures set forth in the regulations at 24 CFR Part 42 and 24 CFR §70.602(a).

(p) It will establish safeguards to prohibit employees from using positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties.

(d) It will comply with the provisions of the Hatch Act which limits the political activity of employees.

(r) It will give HUD and the Comptroller General through any authorized representatives access to and the right to examine all records, books, papers, or documents related to the grant.

(s) It will insure that the facilities under its ownership, lease or supervision which shall be utilized in the accomplishment of the program are not listed on the Environmental Protection Agency's (EPA) list of Violating Facilities and that it will notify HUD of the receipt of any communication from the Director of the EPA Office of Federal Activities indicating that a facility to be used in the project is under consideration for listing by the EPA.

(t) It will comply with the flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973. Pub. L. 93-234, 87 Stat. 975, approved December 31, 1973. Section 103(a) required, on and after March 2, 1974, the purchase of flood insurance in communities where such insurance is available as a condition for the receipt of any Federal financial assistance for construction or acquisition purposes for use in any area, that has been identified by the Secretary of the Department of Housing and Urban Development as an area having special flood hazards. The phrase "Federal financial assistance" includes any form of loan, grant, guaranty, insurance payment, rebate, subsidy, disaster assistance loan or grant, or any other form of direct or indirect Federal assistance.

(u) It will, in connection with its performance of environmental assessments under the National Environmental Policy Act of 1969, comply with Section 106 of the National Historic Preservation Act of 1966 (16 U.S.C. 470), Executive Order 11593, and the Preservation of Archeological and Historical Data Act of 1966 (16 U.S.C. 469a-1, et. seq.) by:

(1) Consulting with the State Historic Preservation Officer to identify properties listed in or eligible for inclusion in the National Register of Historic Places that are subject to adverse effects (see 36 CFR Part 800.8) by the proposed activity, and

(2) complying with all requirements established by HUD to avoid or mitigate adverse effects upon such properties.
