SUBJECT: Road Surfacing

ATT - Mr Mario Tuilchetta
153 Sutton St, Prov, R.I.
Councilman, Ward 13

We the undersigned property owners of School Street, Prov, wish to bring to your attention, this street should have an asphalt covering (without curbstones). In other words only a surface to prevent further potholes, mud and flying rocks from passing automobiles, also dust clouds on dry windy days. A road covering will prohibit all further present undesirable existing conditions. School street is a connection between Harris Avenue and Valley Street, and is about 500 ft long.
