15.	Resolution Requesting the Traffic Engineer to cause the installation of "Four-Way Stop" Signs at the Intersection of Vermont Avenue and Virginia Avenue.	Presently Vermont STOPS at Virginia. Virginia STOPS one block to the south at Washington Ave and four blocks to the north at New York. A four way STOP will be created.
16.	Resolution Requesting the Traffic Engineer to cause the installation of the missing "No Right Turn on Red" Sign heading west on Eaton Street to River Avenue.	Work Order 11-1158 was made and the work was completed on Dec. 20, 2011.
17.	Resolution Requesting the Traffic Engineer to cause the inspection of Burnett Street from Elmwood Avenue to Public Street for the purpose of making it a one-way from Elmwood Avenue to Public Street.	Due to the narrowness of the roadway (18 feet) and the sharp bend in this street, there is no objection to making this portion of Burnett St one-way.
